CITY TAX RATE DOWN--- $1.17 FOR COMING YEAR

Down seven cents today is the Daly City basic tax rate to $1.177.

A resolution fixing the 1949-50 fiscal year tax rate was passed at the Monday meeting of the city council. Hearings on several abatements, new resolutions and ordinances was the principal other business of the meeting.

Due to the length of Monday night's meeting it was adjourned until Wednesday, when the contemplated War Memorial bond issue was discussed. This is in another story in the "Record."

The new tax rate, however, does not apply to all of Daly City. Annexes five and six, land taken in by the city after issuance of local district improvement bonds, will only have to pay a basic rate of $1.15.

Formerly there was one rate of $1.24. The lower rate is due primarily to the approximate $1,500,000 increase in assessed valuation property rolls and the larger population of Daly City. With a greater tax base, the individual tax is lower.

Following the fixing of the rate, a resolution was introduced to establish set back lines on Junipero Serra boulevard at 10 feet. Buildings already constructed need not comply with this resolution.

A public hearing on the set back resolution will be held September 12, 8 p.m. in the city council chambers.

The city also will have in 30 days approximately two new square blocks within its limits, following passage of an ordinance annexing Hillside No. 3. This land is bounded by Moltke, Price, Hillside and Wyandotte.

Amendments to two other ordinances make it possible for the city to hire a personnel clerk, and to reduce bill board rates to a flat $50. Under the old ruling, $5 had to be paid for each billboard.

The new personnel clerk will be designated by resolution at some future date. The salary will be established by the city council.

In an abatement hearing Paul Corsiglia was found to be violating the building code, and the council ordered him to stop working on a house at Thiers and Geneva streets.

An abatement against the property of Emma H. Wells, 121 Westlake, was held up pending work to be done of the building by Mrs. M. E. Massie, San Francisco.

A structure at 355 Willits street, a part of the Epstein estate, was ordered torn down or repaired within 30 days by the council.

The city also accepted the grant deed and dedication of a street between Abbot and Wyandotte by the Sterling Building Co.

The water department soon will have a new addressing machine. The city council voted to buy the $1,515 machine from the Addressograph Co. Money for this had been set aside in the budget. No bids were called as the company has no competitors.

Bids were opened for a new air compressor and jack - hammer. Awarding of the contract for this machine will be made after the council has inspected the various bids and equipments.

The following companies bid on the air compressor and jack hammer:

Rix Co., San Francisco, $1,640 compressor, $561 equipment.

Western Machine Co., San Francisco, $1,445 compressor, $274 equipment,; 105 cubic feet capacity machine, $2,315, $274 equipment.

Paul and Griffin Co., San Francisco, $1,720 and $323; $2,250 and $353.

Bay Equipment Co., Richmond, $1,785; $2,920.

Edward R. Bacon, San Francisco, $1,800 and $261.

Bay Cities Equipment Co., Oakland, $2,040; $3,080.

S.F. Man Cited For Bad Parking

Cited Thursday for failure to park properly on a hill was Orlando Federighi, 816 Silliman avenue.

His alleged failure to set a hand brake plus a gentle shove from another car, sent Federighi's vehicle smashing into a parked cab. While Federighi's car was undamaged the cab sustained a bent left fender.

The accident occurred Thursday on Bepler street near San Jose avenue. Federighi parked his car on the Bepler hill. Another car allegedly backed into Federighi's vehicle, loosening the hand brake and sending Federighi's car in a backward semi-circle into the parked cab.

GRADE SCHOOLS IMPROVED DURING SUMMER VACAT'N

Many improvements in Daly City's elementary schools will be obvious to children who return to their books September 12.

James Snell, superintendent of schools, today noted some of these improvements. Besides the regular maintenance which includes resurfacing of floors in all schools, repair and refinishing of interior and furniture, this summer saw the beginning of a long-range plan to improve lighting in all classrooms.

Installation of modern concentric ring incadescent fixtures in the Woodrow Wilson primary building and painting of these classrooms in the "Harmon Technique," is a step toward better lighting.

The "Harmon Technique" is based on Professor Harmon's designs for color schemes in classroom interiors. His recommendations were, and will be followed in refinishing the interior of school buildings.

Playgrounds were paved and repaired at Thornton, Crocker, Jefferson and Woodrow. New shop and home economics facilities were provided at Thornton.

In addition, new library, classrooms and offices were added to or improved at the Administration building, and new fencing went up at playgrounds at Pershing and Thornton.

New classrooms have also been added at Woodrow Wilson. The new Garden Village school in the Garden Village - Broadmoor will provide many additional rooms when it is finished in February.

"The fine spirit of cooperation and the forward looking attitude of the board of trustees is largely responsible for these improvements," Snell asserted.

He added that the school district plans to continue to modernize present schools and build new ones "just as fast as possible."

Members of the school board during the summer included Andrew Van Der Werff, Mrs. Helen Cheatham and Mike Callan.

BEAUTIFUL BLOND IN BATHTUB AT LIONS BAZAAR

Take a beautiful blond in a bathtub, a few thousand kisses and somebody is sure to have a good time.

That somebody can very well be you, if your steps take you to the Lions Club bazaar at the Sprouse-Reitz store September 17. At that time a tub in the center of the store's main display window will be filled with thousands of candy kisses and pert, provocative Beverly McCormick.

The lovely young lady, dressed in a strapless bit of a bathing suit, will hand out the kisses to willing customers. Money from the kisses will be donated to the Lions Club bazaar.

But in case blonds are of no interest, there will also be a brunette on hand to take over Beverly's spot. She will be Rose Marie Knight.

A third lovely damsel, Deana Hoffey, assisted by other gorgeous gals will parade throught the store at appropriate times. She will hand out the candy kisses from a tray draped around her short skirted form.

In addition, from time to time the ladies will parade along the store's marquis stage (just above the store sign) throwing candy kisses to the crowd below.

If the aforesaid promise of feminine pulchritude is of more interest to men than women, disinterested women are invited to come into the store.

Inside they will find some of the best bargains of the year, as the Lions sell nationally advertised items at half cost or below. The items will range from toothpicks to toothpaste, and promise to be real dollar savers.

All proceeds from the bazaar will be used by the Lions to help boys and girls to enjoy benefits normally deprived them.

Oh yes, that erroneous date in the "Record" last week. The bazaar was noted as being held September 10. Information for this was obtained by a now red-faced Lion official, who can be heard today muttering, "September 17, September 17," over and over again.

Models for the Lions bazaar will be at the Sprouse-Reitz store via the San Francisco House of Charm.

BOND ISSUE BEFORE PEOPLE SEPTEMBER 27

Ano rdinance setting the $396,000 War Memorial bond election for September 27 will be passed by the city council Monday night, Mayor Paul Green said today.

Originally the ordinance was to have been approved Wednesday. But, going thru the perfunctory reading of the bill last night, embarrased city officials found they needed names of precinct officials before the ordinance could be passed.

Mayor Green said these names would be ready, and included in the ordinance by Monday night.

The 28 county precincts in Daly City will be consolidated to 14 for the special bond election. In addition to a judge, inspector and two clerks, approximately four people are needed at each precinct.

Meanwhile, Mayor Green expressed thanks to those individuals and organizations who have backed the $396,000 bond issue. Last night the Daly City Rod and Gun Club took the lead, and became the first club to give their endorsement of the proposed War Memorial building and new parks.

Contributions from citizens and organizations have been pouring in all week to newly organized War Memorial Campaign Committee. This committee has been set up to collect funds to educate the public via a campaign for a two-thirds vote in favor of the two bond propositions.

Those who wish to donate to the fund may do so by contacting committeemen or the committee office at teh Daly City Branch Bank of America.

Mayor Green and Pete Markovich started the ball rolling early this week and have collected more than $300.

Among the first to join the committee are: Frank Lombardi, George Kirchhubel, A. J. Gaggero, Fred Bertetta, Frank B. Blum, Williams Candy, Gene Lynch, Tom Mitchell, John Degliantoni, Judge John Fahey, Joe Lewkowitz.

Strong support is expected from the Daly City Fire Department, Employees Association, PTA, American Legion, VFW and other groups, Mayor Green said.

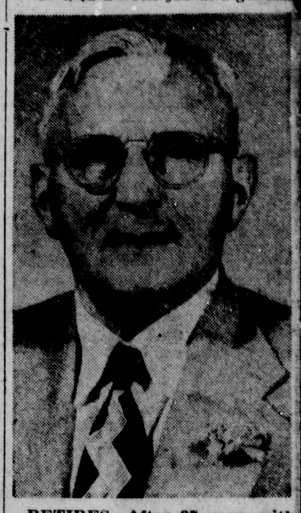

At the Monday night council meeting Architect Mario Ciampi is also expected to present plans for the proposed $295,000 War Memorial building.

On September 27, voters will be asked to approve the building and also $101,000 more for improvement and founding of new parks throughout the city.

H. SUNDERMANN RETIRES FROM BORDEN DAIRY

In Portland this week is former Daly City Councilman Henry Sundermann, who recently retired as credit manager for Borden's Dairy Delivery company.

With his retirement last Thursday, Sundermann completed 37 years of service with the Borden firm. This marked the end of a working career which began with his arrival in New York from Germany when he was 14 years old. After a $2-a-week job in a general

RETIRES—After 37 years with the Borden Dairy Delivery Co., Henry Sundermann retired as credit manager last Thursday. Sundermann has been prominent for 45 years in Daly City civic affairs, serving 22 years as councilman.

merchandising store in Brooklyn, he turned to railroading and came west in 1904, settling in San Francisco.

In 1906 he entered the dairy business as a driver of a wagon team for the Portland Dairy. Sundermann joined the Dairy Delivery Co. in 1912 as a driver. This company was founded by eight dairymen, following the earthquake, to insure a milk supply to the stricken city.

Shortly after, he was transferred to the credit department, later becoming credit manager, a position which he continued when Borden acquired Dairy Delivery in 1932.

At the time Sundermann arrived in San Francisco Daly City was known as Daly's Hill, where John D. Daly maintained a dairy farm. Sundermann was living in the area at the time Daly City was incorporated in 1911.

He was active in civic affairs from the start. He is a charter member of the Veteran Firemen's Association, serving first as a volunteer fireman, then fire marshal, and finally chief.

He resigned as chief in 1920 when he was voted into the office of city councilman, a post he held for 22 years. During that time he was instrumental in promoting public improvement programs, and served as chairman of the J. D. Daly library board for 20 years.

His interest in service organizations has extended to the Eagles, Odd Fellows and Masonic fraternal orders, of which he is a member. He is also an honorary member of the Veterans of Foreign Wars Musician Post 1944, and charter member of the Milk Wagon Drivers Union.

Sundermann was honored last week by employes and officers of the Borden Co. at a special luncheon held at the Benjamin Franklin Hotel where he was the recipient of numerous gifts from well wishers.

The former councilman will now devote his time to two of his favorite hobbies, gardening and traveling. Upon his return from Portland he plans to visit other parts of the United States.

VAL BALBI IS SEEKING ANOTHER "IRON HAT"

—(Photo by Myra)

Daly City's extraordinary garbage man, Val Balbi, sneers at a straw hat he's recently been forced to wear. His favorite derby disappeared suddenly a few weeks ago. As he is unable to perform his duties as "sanitary engineer" without an "iron hat" Balbi has asked citizens for a new one. Hats may be brought into the "Record" office. The derby adorning his head? Borrowed off a nearby horse for the benefit of the picture.

D. C. Fire Fighters Out Killing Weeds

Hose hoisters in Daly City are literally fighting fire with fire today.

Weary of chasing out to various grass fires, the blaze busters decided to kill the source at its roots. Hence, this week many a fireman could be seen on vacant lots burning off dead grass and weeds.

Fire Chief Elmer Kennedy said he hopes this preventive measure will give his boys some long needed rest. Last Thursday they wetted down three grass fires within quick succession.

Two Injured In Accidents

Injuring themselves in minor accidents over the week end were two Daly City residents who were treated at Junipero Serra hospital and released.

Mrs. Eastwood, 274 Evergreen avenue, while working around her home Sunday, sustained a slight arm injury, the nature of which could not be learned.

George Luccas, 6286 Mission, drove a knife accidentally into the palm of his hand while working at 1:53 a.m. Sunday. He was rushed to the hospital, but the hand was not too badly cut, and he was back to work in an hour.

HAYWARD PLAYER INJURED IN SUNDAY FOOTBALL "TANGLE"

When you tangle with the Mustangs you're hospital bound; so say the members of the brawny 11.

Dan F. Prudencio, Hayward left guard, has no argument with this today. In last Sunday's game he attempted to stave off the powerful Mustangs.

When Prudencio picked himself off the field it was with the help of several team mates. He was rushed to Junipero Serra Hospital and given treatment for minor chest injuries.

Released from the hospital after treatment, he never got back into the game.

VAL BALBI, DALY CITY'S DERBY TOPPED GARBAGE MAN, TELLS ALL

Meet Val Balbi, inventor, writer, comedian, singer, engineer, collector and, in general, Daly City's "universal man."

In case the name is unfamiliar, Balbi is better known as a garbage collector (sanitary engineer) for the Daly City Scavenger Co. He also is identified by a derby cocked over a blue eye and shading a well-chewed cigar.

Another sure way to recognize the genial 34-year-old is by his voice. While emptying the garbage cans he can usually be heard in a "torchy, sentimental" number. Some day, when he has more time, Balbi admitted he might make a try for Frankie Lane's crown.

This last statement is no idle boast, as witnessed by the many calls the Scavenger Co. receives asking about the "singing garbageman." Most of the calls are complimentary.

Last year Balbi and the company, in which he is an officiail moved into Daly City to take over the disposal of garbage. Previous to this move, he gained some fame in the southern part of the county.

"I just kind of drifted into this business 10 years ago. I wanted to work out two patents on garbage loaders. My invention is almost perfect now," Balbi said.

When he isn't inventing, the be-mustached "engineer" is busy writing a book. During the past two years he has finished five chapters of the volume "The Forgotten Public Servant."

If, and when it is published don't be surprised to see yourself or your garbage between the pages.

"Although you can't judge people by their garbage, a job like this gives you a good opportunity to meet the public in an informal way. My book mostly is sketches of some of the characters I've met over the past 10 years."

Carrying his imagination over to his job, Balbi has named three of the trucks. In other days, the trucks were marked by movie stars' names, but now they can be identified by the titles "Forever Amber" and "Lula Bell." A third truck recently has been named "Marjorie."

"She isn't in the movies, but she did me wrong. I could think of no better way of honoring her than by naming one of my trucks 'Marjorie'," Balbi explained.

The public servant, who is married and has two girls, did not specify what Marjorie had done to deserve such a fate.

Several years ago Balbi started collecting hats. And in this is the tragedy of the past two weeks.

"I always wear a derby. But some time this month I lost my favorite chapeau. Since then I've worn a straw, but it's a bad substitute," Balbi moaned.

One of the parties on his route gave him another iron hat, but this too proved unsatisfactory as it was too weather beaten.

Hence, anyone with a derby will help speed garbage collecting if he or she would be kind enough to pass it on to Balbi. Donations will be received at the "Daly City Record" office.

Any other hats would also be welcome, as Balbi will add them to 27 toppers now in his collection.

"Hats just seem to fall into my hands," Balbi said. "So I thought it would be a good idea to save them."

This is Val Balbi. Next time he comes around go out and talk to him over the garbage pail. We guarantee it will be an interesting five minutes.

Daly City Employes Association Give Testimonial Dinner For George Savage Thursday Night, Aug. 25, At Club Casino

A testimonial dinner was given Thursday night for Patrolman George Savage, 215 Hillcrest drive, who retired from the Daly City police department last month.

The dinner was given by the Daly City Employes Association at the Club Casino, beginning at 7 p.m.

In recognition of his 13 years of active service, the veteran patrolman was presented with a silver star by the Daly City department. The association gave him a large merchandise order.

Many city officials and friends were on hand to wish Savage well. "This dinner is only a small token of appreciation by all of us for the untiring service George has rendered the city," Police Chief W. W. Sunderland said.

Savage retired under the automatic employment retirement plan upon reaching 65 years of age this summer.

TWO BABES TO BATHE

Whether you prefer a blond or a brunette in a bathtub, both will be on hand September 17 at the Sprouse-Reitz store as part of

the Lions Club bazaar. Blond Beveryl McCormick (left) will sell candy kisses from her place in a bathtub as will brunette Rose Marie Knight. Also on hand for decorative purposes will be Deana Hoffey (right). Money from the affair will go to help needy boys and girls.

Two DC Youths Attempt Sunday Church Robbery

Going to church last Sunday were two Daly City juveniles who allegedly attempted to rob Holy Angels Church in Colma.

The two 17-year-old lads were seen assertedly prying open a money box behind the alter rail near the candelabrum. While one of the boys worked over the box, another one kept a lookout.

A few minutes before the alleged robbery Father Morrisey and an usher went into the confessional. When the look out started to look into the confessional, the usher stepped out.

The lookout made good his escape, but the other boy was taken into custody. Assertedly the one who was seen over the money box was caught in the same act just two months before.

Merced Golf Course Land May Be Saved

Golfers breathed easier today as the Jefferson Elementary school board showed signs it would not condemn 10 acres of Lake Merced Golf Club land.

Originally the board had selected the golf land as the site for a new school building to adjoin the Garden Village School. The golf club set the price of the land, at what school board trustees now believe is a prohibitive figure, $118,000.

Consequently the board is now looking for a new site. Indications are that if such a site can be found, the proposal to buy the golf course land will be dropped.

School board members will meet with a golf club engineer to discuss the land question tonight. The engineer has allegedly found property, other than on the golf course, which may be suitable for the school.

Edgewood Group Holds Meeting Next Tuesday

Calling for improved traffic control and new recreation facilities, the Edgewood Terrace Civic Association will hold its monthly meeting next Tuesday, August 30.

The meeting is open to the public and every interested Daly City citizen is invited to attend. It will be held in city hall beginning at 8:15 p.m.

Recognizing the need for better park and playground facilities the association will call on the city for some immediate action in this direction. An association spokesman said this did not necessarily mean approval by the group of the proposed War Memorial bond issue.

The group will also ask the city to take some immediate action towards putting up signals at Hillside boulevard and Mission street. In addition, officers will be asked to patrol vital intersections used by youngsters during the school hours.

Portions of Vista Grande avenue, not paved, should be paved immediately, the association will demand.

Other business concerning the welfare of Daly City residents will also be discussed.

RUNAWAY CAR DAMAGES HOME

A runaway car smashed into the corner of a Daly City home Sunday causing the house considerable damage, police reported today.

The accident occurred at noon Sunday when a car owned by Leslie C. Logie, 41, 1373 26th avenue, rolled down a hill into the house of Mrs. Florence Pastorino, 99A Theta avenue.

Force of the blow smashed the corner of the house, moving the corner foundation, breaking the window and casing next to the front door and cracking the plaster in the inside walls near the door, police said.

Evidently Logie, parked at 11 Theta avenue, had failed to cramp his car wheels, police said. He was cited for negligent parking.

Plans For OLPH Carnival Booths Almost Complete

Plans for booths at the eighth annual Festival and Carnival of Our Lady of Perpetual Help Church are almost completed today.

Last week Mesdames R. C. Perry, Charles McDougal, George Bonini, Louis Thiebaut and A. Tielemaus undertook the task of dressing hundreds of tiny dolls. There story-book dolls will be displayed and sold in a doll booth.

Doll collectors, as everyone else, will have a field day during the Carnival which begins October 21, Father William Stewart, in charge of the affair, noted.

Meanwhile, several suggestions have been made as to a suitable theme for the Carnival, but as yet no choice has been made. The committee is now considering the various ideas offered in hopes of finding one which will be as much of an attraction as last year's Western theme.

Lt. Giusti Ends "The Long Voyage Home"

Completing the long voyage home this week was Lt. Roy Giusti, Daly City Air Force navigator killed in an air battle over Europe September 21, 1944.

The son of Mrs. Rose Giusti, 374 Woodrow street, was buried with military honors Thursday at Jefferson Barracks National Cemetery. His mother and brother, Albert, flew to St. Louis for the interment.

An outstanding athlete and student at Jefferson Union high school, Roy attended St. Mary's college where he was one of the greatest football and baseball stars ever to attend the Moraga university. He had been tabbed for All-American honors while a sophomore flash and his college career was interrupted when he joined the Air Corps during the war.

Lt. Giusti has been memorialized by having his name placed on a perpetual trophy which is held by the South San Francisco Windbreakers football team. The Windbreakers hold the award by virtue of a victory over Daly City's Mustangs last year. His name was selected as having been the most outstanding athlete from Daly City to lose his life for his country during the war.

BABY, IT'S HOT OUTSIDE

No doubt General Vaughan would like to crawl into one of those deep freeze units until the weather — and congressional tempers — drop about 40 degrees. Incidentally, there is no truth to the report that congressmen are serenading him with "Freeze a Jolly Good Fellow."

STOP THE MUSIC?

Whether or not the giveaway mania practiced via the radio will be curbed depends on the decisions of the courts. The broadcasting companies say they won't accept the restrictions planned by the Federal Communications Commission without a fight.

The broadcasters, however, might be wiseto do a little curbing of their own. Giveaway programs have become so numerous that some of the better radio personalities — Fred Allen, for one — are giving up in disgust. Good as they are, they can't compete with the handouts.

The giveaways are also developing the something-for-nothing craze among a large number of our citizens who suffer frustration for one jackpot to another. If the time put in keeping one ear glued to the radio while the other listens (hopefully) for the phone were devoted to something more constructive it would result in greater indvidual satisfaction —and fewer giveaway programs.

CHANNEL TRAFFIC

As this is written there are no less than a dozen long distance swimmers waiting for favorable weather over the English Channel so that they can treat themselves to the torture of trying to swim that rugged stretch of water. Interest centers on Shirley May France, the teen-age American girl who hopes to be the youngest to ever turn the trick. Even if she succeeds, what then? Do her parents plan to put her in a circus side show and capitalize on the achievement?

To the best of our knowledge no one has ever gotten much out of swimming the English Channel except a severe case of exhaustion and chills. The Channel swim makes about as much sense as flagpole sitting. The very few who have ever negotiated the distance have achieveed only one thing — they've reached the other side. Millions of others have done that, and without getting wet or numbed. Human nature being what it is, however, there undoubtedly will always be some who prefer to swim rather than ride. If it provides them pleasure — and publicity — they're welcome to it.

With the marriage of Hollywood's No. 1 bachelor, Jimmy Stewart, the slim list of genuine bachelors in the movie town has grown slimmer. A bachelor, by the way, is a man who realizes that he's no match for a woman.

HEAT AT HELSINKI

Finland has become pretty well accustomed to the periodic pressure put on it by the Soviet Union. The current trouble may be nothing more than another instance of Russian bullying or it may be the start of a determined campaign to seize the government.

On the face of it, the issue is an internal matter involving a demand by labor unions for wage increases. But any move which is led by Communists is never engineered from within. The strings are always pulled from Moscow.

Up to this point, at least, the Finns have done a remarkable job of maintaining their democratic form of government while living under the scowling shadow of the Kremlin. No doubt Soviet leaders have long been irked by their own failure to bring Finland completely within their iron grip. They may now feel that the time has come to correct that situation. If that is their plan they are in for a tough struggle unless they drop all pretense and send troops across the border.

The Finns have been wise enough to keep Communists out of the government and especially out of key posts controlling the police and communications. The Communists, without their stooges in these spots, will have great difficulty seizing power.

Unfortunately, there is nothing we can do to help the Finns stave off the Reds as we did in Italy and France, but we can hope that the courage and tenacity which carried these valiant people through before will prevail once again.

POOR RISK

Gangsters don't have a very safe existence whether they live in Los Angeles or Belgrade. Let's consider the one in Belgrade — Marshal Tito. The Marshal as you know has been thumbing his nose at the "big boss" in Moscow for the past year and especially in the last few weeks. Now, no top gangster whether he be a local or an international hoodlum can stand defiance from one of his mob. It's too damaging to one's prestige. The procedure then, is to see that the offender is properly taken care of.

This appears to be what Joe Stalin has in mind. It's logical and, what's more, a broadcast from Russia said that Mr. Tito must be "liquidated in the name of human principles." We presume this means the Kremlin's version of human principles. At any rate, Marshal Tito has cause to ponder the fate of Leon Trotsky who got out of line with Moscow and was assassinated. Of course, tthe Marshal could move to Los Angeles.

Woodrow Wilson PTA History

(The following is the final article being published to give members and friends of the Woodrow Wilson PTA a glance at what has been accomplished during the past 27 years.)

1948-49

Officers for the year were installed by Mrs. Edward Styskal of the 17th district. New officers included: Mrs. John Sorensen, president; Mrs. William Cheatham, vice-president; Mrs. Harold Riley, recording secretary, and Mrs. Robert Hacker, treasurer.

Mrs. Sorensen, with the aid of her officers and chairmen, completed a most stimulating and active year. They chose as their theme "The School, The Home and Security."

Throughout the term educational films were shown. A survey was taken by mothers volunteering to secure the opinion of other parents as to semi-annual promotion replacing the annual promotion.

Mothers also assisted with eye tests given to every child from kindergarten through the eighth grade, and with the tuberculin tests to the seventh and eighth grades. Each officer and chairman had an opportunity as a delegate to attend district meetings.

A parent education group of six mothers completed a correspondence course in history, organization and leadership. The president attended a parliamentary procedure class.

Room mothers took part in making and awarding pins to each child in the room earning the PTA attendance banner. From the sight saving fund three pair of glasses were purchased for needy students.

Members did volunteer work at the Well Baby Clinic and at the Blood Bank, and assisted in the immunization program. Outstanding work was accomplished by Mrs. L. B. Thomey, student aid chairman. At Christmas she repaired and dressed dolls and collected and renewed clothing and delivered them personally to families in need.

Two life membership pins were awarded for outstanding services and presented to Mesdames J. E. Surber and Ted Hopman. The membership drive increased the total membership from 259 to 318. Of these, 52 were fathers.

One of the outstanding achievements of the term was the printing of the "Woodrow Wilson News," a paper designed to bring information to every parent pertaining to school activities. It was planned by the president and her plans were carried out by Mesdames William Cheatham and S. A. Larson, and printed by John Sorensen. It was distributed by the children.

The social and entertainment affairs for the term were the reception honoring Mr. and Mrs. James Snell, the superintendent of schools, and his wife. A successful whist party was given at Masonic Hall, with Mrs. William Hunter in charge. The entertainments in conjunction with other school and units of the district included a Fathers' Night program, Hallowe'en party, Christmas party, and a Founders' Day program.

Some members assisted the city recreation department by helping in the Portola Festival, Easter egg hunt and plans for the May Day celebration. The faculty reception to acquaint parents and teachers was held. The Mardi Gras was the largest and final fund raising event of the term.

The Mardi Gras was successful because of the combined efforts of all the PTA officers, chairmen, members and friends. An amateur contest was the special event of the day, featuring children of the Woodrow Wilson school who volunteered their talents. Gary McFall, an eighth grader, was the winner and made a personal appearance on the radio on Budda's Amateur Hour.

The final achievement of the term was the presentation of two radios for the classrooms at the Woodrow Wilson primary school. At the conclusion of the term Mrs. John Sorensen suggested additional awards go to the people who have done outstanding work in this community toward child welfare.

This is a parchment with the names of the honored people inscribed. It is on display at the school. The dollar for each name selected will be given to the eye glass fund.

CITY DEFEATED: OLD W. W. SCHOOL TO BE TORN DOWN

Despite efforts by the city to save the old Woodrow Wilson school building, it soon will be torn down.

Mayor Paul Green made this announcement Monday, following a Friday meeting between himself, the school board and Edgar Parsons, state educational official. The meeting had been called in a last ditch attempt to save the building.

Parsons said the structure was a potential earthquake menace. He claimed it might fall and hurt, or kill children playing around the building, in case of earthquake.

Consequently, he advised that the building be torn down as soon as possible. The Jefferson elementary school board will comply with this suggestion, Mayor Green said.

Parsons was willing to give the city the building for city and county offices, but on one condition. He said the building would have to be moved.

Mayor Green asserted moving the structure would cost more than its worth to taxpayers.

However, the city will get one part of the old schoolhouse. That part is the fire escape. Should the escape prove the right size, the city will put it up in back of the present city council chambers.

95 New Lumen Lights For DC By Christmas

Installation of 95 new lumen mercury lamps is expected to be completed in Daly City by December, Mayor Paul Green announced today.

The new lights will augment those on Mission street put up earlier this summer. When the lighting project is completed Daly City will be one of the best-lighted cities in California, Mayor Green said.

Present plans call for the new lamps along both sides of Mission from one end of the city limits to the other. The lamps will be staggered except between San Pedro road and Vale and south on Mission to Crocker where they will be adjacent to one another.

The new lights will also be at the intersection of Westlake and Junipero Serra in front of the Lake Merced Golf club and in front of the Marchbanks Park entrance.

Cost to the city for the new lighting will be an additional bill of about $150 a month, Mayor Green said. The estimated cost of the work to the Pacific Gas and Electric Co., who will put up the lights, could not be learned.

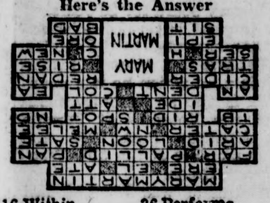

Ninety-nine per cent of the raisins produced in the San Joaquin Valley are processed in Fresno.

Annual Recreation Department Bouts Slated Wednesday

Fists will fly in the ring Wednesday night at the Daly City Recreation department puts on its fourth annual boxing tournament.

Boxers ranging in age from 10 to 15 will battle it out at the Jefferson High School gym from 7 to 9 p. m. Wednesday. This should be a really good fight card, as most of the lads are in good training and have been looking forward to the fights all summer.

Feature event of the evening will be a toe to toe battle between 130 pound Ruh McDonald and Don Espinnon. These two lads are the "heavyweights" who promise to put on the hardest evening tussle.

Another big event will be between Roy Roson and Walter Huntsman. Both boys will weigh in at 104 pounds and are anxious to prove they are experts in the ring.

Winners will receive gold medals, while the losers will walk home with awards, but not so shiny.

The public is invited to attend. Admission is free.

Other bouts will see the following boys matched: Kenny Klees and Billy Beecher; Gerald Jostemike and Ronald Molino; James Jastrunske and Bobbie McDonald; Dicky Kalinen and Fred Bertetta; Howell Creighton and Rub Frugoni; Larry Hutchinson and Buddy Francis; Bert Nottingham and Harold Diamond; Dan Scarbough and Roy Huntsman.

Other boys who have not yet been matched but will fight include: Thor Affidal, Bennie Peralti, Ronnie Goatham, Jim Finnody, Bob Murkinson, William Llmna, Don Trevoshsis, DeWayne Jannes, Danny Rasmussen, Dave Rasmussen and Ronnie Kalinen.

Joseph Huber Faces $1500 Damage Suit

A $1,500 damage suit filed recently against the Daly City firm of Huber Construction Co., in no way involves Carl Huber, 62 Evergreen street, Carl said today.

According to Carl, he withdrew from the firm in 1947, one year before the action arose, and is in no way liable. Carl asserted the suit was against his brother Joseph, 50 Evergreen avenue, who carried on the name Huber Construction Co. in 1948.

Harry B. Adams, 131 Alexander, charged the firm with allegedly damaging $1,500 worth of his property due to excavation work in July, 1948.

TRAFFIC COURT

Either color blind or anxious to donate $2.50 to Daly City, 11 motorists were fined that sum last week for violating traffic signals.

The motorists included Albert Boyajeane, Madeline Butt, Leslie Bybee, Patrochio Carello, Harry Costa, Joseph Deseve, Hans Nielsen, Hector J. Macleon Jr., A. J. Pillow, Harold L. Ross, James L. Twohy.

Speeders who paid $7.50 for this violation last week included William Dennick, Martin Fabre, John Groat, Patricia Keyes, Dwight W. Russ.

Helen B. Blount paid $5 for speeding as did Joseph Kennelly. Violating a pedestrian zone was Robert Cheek and Robert Phillips, who both paid $5.

Failing to cramp their wheels or violating other rules of parking were Geoce Mesco and Carls Grossman, who each paid $5.

Taking His Baby, Wilson Charged With Prowling

Charged with illegal prowling today is Joseph Wilson, 36, 849 Jefferson court, San Mateo, who allegedly took his 15-month-old daughter from her mother last Wednesday.

The commercial artist allegedly snatched Donna from the side of her mother, Mrs. Ruby Wilson, 27, as she lay in bed. The charge against Wilson has been filed by Mrs. Ernest J. Matthews, 134 Moltke street, owner of the house where Mrs. Wilson was employed as a housekeeper.

Wilson, police said, broke open a garage door lock to gain entrance to his wife's quarters. Wilson told police his wife does not have legal custody of the child.

The Wilsons separated May 11, police reported, but they are not divorced.

Wilson was released on $50 bail. He is scheduled to appear in Daly City court at 2 p.m. tomorrow, August 26.

Large Crowd Sees Craft And Hobby Exhibit

Some 400 people last night viewed the Daly City Recreation Department annual craft and hobby exhibit and demonstration.

The show was put on by young boys and girls who have done craft work during the summer at various playgrounds. The exhibit, and a stage show, were presented at the Jefferson Union high school.

Those who came to the show saw everything from splatter painting to pyrocraft exhibits, all done by young people under the direction of James Kraywinkel and Allene Flood.

Those who took part in the exhibits included: Ellen and Raymond Chun-Fat, Diana Furger, Roberta Furger, Ario Gregori, Wilma Tholen, Beverly Denike, Kay Harris, Judy McCulloch, Mary A. Olson, Bob Galli, Benny Benauides, Linda Angle, Ross Benauides, Jim Selsor, Roger Lorenz, Bill Brush, Donald Village, Ronald Village, Richard Marquez, Waldo, Pat and Astrid Chun-Fat, John Selsor, Robert Galindo, Andrew Ruelas and Joe Ruelas.

Following the exhibit show a stage show was given in the high school auditorium. Among the many numbers was a hopak given by Sunny Sullivan and Charles Olson; songs by Diane and Paulette Endress, Sunny Sullivan, Pat Chun-Fat; a piano number by Darrel Hutchinson; a song by Larry Hutchinson.

A "Mellerdrama" under the direction of Kathleen Schreiber and Audrey Forney was put on by a number of youngsters from Marchbanks Park. Another large number of boys and girls put on a punch and judy show, a folk dance and a square dance.

Mrs. Hilda Heagney, Int. Conference Winner, Now At New York's Camp Macey

Mrs. Hilda Heagney, 117 Miriam street, recent winner of the Girl Scout International Conference scholarship, is in New York today.

The prominent local Girl Scout leader is attending the Camp Edith Macy Training School, a right which she won with the taking of the conference award. She will be in New York until September 2, when the school term ends.

Mrs. Heagney was selected for the school from among many applicants throughout the United States. Basis of her selection was from the standpoint of personal qualifications as well as from creating a well represented group from this country.

Attending the school are an equal number of delegates from other countries who are members of the world association of Girl Guides and Girl Scouts.

Girl Scout leaders of the central committee of northern San Mateo county, and other friends saw Mrs. Heagney off on a plane for New York August 20.

On behalf of the Girl Scouts, Louis Kramer presented Mrs. Heagney with various items made by local scouts and brownies. These souvenirs will be shown by Mrs. Heagney at the training school.

THOMAS, REDLINGER FAMILIES LEAVING FOR EASTERN VISIT

Four well-known faces will be absent from Daly City for the next month.

They are Mr. and Mrs. James Thomas and Mr. and Mrs. John Redlinger, all of 143 Moltke street. The Redlingers are the daughter and son-in-law of the Thomas', respectively.

The four will travel east to Ohio and Pennsylvania where they will visit with relatives and friends. They expect to leave tomorrow, August 26, and be gone from three to four weeks.

OCEAN VIEW CHURCH ANNOUNCES SERMON TOPIC

Sermon topic at the Ocean View Congregational Church, 146 Broad street, San Francisco, this Sunday will be "The Heart of Protestantism; Gathered in His Name."

The Rev. J. H. Bennett will deliver the sermon. Services begin at 11 a.m. Sunday school is at 9:45 a.m., and there is church for children during the regular church hours.

This Saturday, August 27, there will be a Food Sale at the church social hall. The sale opens at 10 a.m.

NSGW HOLD SECOND ANNUAL PICNIC SUNDAY

It will be hot dogs, folk dancing and games for members of the Mission Parlor No. 38, NSGW, this Sunday as they hold their second annual picnic.

The annual reunion and picnic will be held at Skippers Park, five miles west of Redwood City, August 28.

Games for children and adults, folk dancing and gate prizes will be offered during the afternoon of entertainment.

Miss Winifred McGrath, district deputy grand president of the NDGW, has offered two layette sets as prizes for the youngest Native Son and Native Daughter present.

El Carmelo Parlor of Daly City will engage the crack nine of Mission Parlor in a softball game for the championship of the outer Mission district.

The committee in charge includes: Henry Meyer, chairman; Percy Cosbie, Al Donohue, John Gotelli, William Segale, Harold Henney and Raymond J. McGrath.

RNA Sewing Club To Hold Meeting

Sewing members of the Royal Neighbors of America will meet Friday, September 9, for the first Sewing Club conclave this fall.

The meeting will be held at the home of Mrs. Mae Miller, 360 Arlington street, San Francisco.

At their regular meeting on Friday, August 19, the RNA made plans for a membership drive during October. Also discussed was a "Home Coming Night" for former members who now reside in other cities. A food sale and pot-luck dinner are also being planned.

The next regular meeting will be held at the Little Italy Hall Friday, September 2, at 8 p.m.

D. C. Sportswomen Receive Charter From ASC Group

The Daly City Sportswomen are now members of the Associated Sportswomen of California.

In conjunction with the Daly City Rod and Gun Club the women's club has been organized for a year, but only this week received the state charter.

At a special meeting of the sportswomen the charter was presented and other business introduced. The Daly City club received an invitation from the California Women's Casting Club to be guests at a fly casting tournament and luncheon September 25 at Golden Gate casting pools.

The program will begin at 10:30 a. m. with the wet and dry fly accuracy events taking place in the morning. After lunch the accuracy bait events will be held.

The Women's Casting Club will give free instruction to any interested sportswoman in fly and bait fishing at the Golden Gate pools and Lake Temescal in Oakland.

Vi Prigmore, club secretary, was elected captain of the newly organized pistol team. Plans are being made for a bowling team to be entered in league competition.

Mrs. Lillian Miller was sent as the club's representative to the California Association's two day social and business session held August 19 and 20 in San Jose.

Going on record for Harold W. Purser as director at large of the Associated Sportsmen of California, the Daly City club approved Purser's candidacy.

A luncheon was served by Frances Nenstiel, at whose home the recent meeting was held. Members present included: Betty White, Mildred Whinnen, Llillian Miller, Lorene Gardner, Lorraine Fox, Ruby Miller, Vi Prigmore, Gwen Reed and Dorothy Traxler.

Next regular meeting of the organization is scheduled for September 14, 8 p. m. at Bellevue hall

Anyone interested in joining the club is invited to attend the meeting or contact Mrs. Nenstiel, club president, at DE 3-3784.

LUTHERAN CHURCH OPENS SUNDAY IN BROADMOOR

First Lutheran Church services in Broadmoor Village will be conducted this Sunday by a new reverend, Max Zschiegner.

The services will begin at 11 a.m. in the same place the Lutheran Sunday school is held, Community Recreation Center, White street, near 87th street. It is hoped a new church will soon be constructed in Broadmoor Village.

Work in the Sunday school began in October, 1948, by members of the West Portal Lutheran Church. The Rev. A. H. Haake was pastor and classes were carried out by teachers of the congregation. Miss Meuniet has been in charge of the Sunday school.

The Rev. Zschiegner comes to the congregation from St. Louis where he completed his studies both in church and missionary work. He was ordained August 14 at the West Portal Church.

The public is invited to attend the first regular services. Also younger children may attend the Sunday school which begins at 9:45 a.m.

PTA PICNIC BIG SUCCESS

Members of the Crocker PTA and their children gathered together last Thursday to hold their annual picnic at San Mateo Park.

After a delightful basket lunch and delicious hot coffee, Mrs. Ann Eason, recreation chairman, held games for the children. Many prizes were given the winners.

The grownups enjoyed an afternoon playing games. Each winner received lovely and useful gifts.

The president, Mrs. Erwin Schmidt, was happy that the weather was so good, and thanks all those who attended. Some 18 adults and 14 children were on hand.

Later a short business meeting was held to make plans for a bazaar which will be held in December.

Church Marks 50th Year

Old-time parishioners of San Francisco's St. Michael's church are invited to attend its 50th anniversary, September 16 to 18.

A golden jubilee festival will mark the occasion at the 32 Broad street church, The Rev. William Worner said.

Among other features of the festival will be booths of linen, groceries, dolls, ham and bacon, cake and candy and games for the children.

The arrangements are under the direction of Rev. Worner. Chairman is Joseph Rodriques, assisted by Messrs. Horgan, Griffin, Buckholz, A. Chippolos, McDonald, McCarrick, Bosque and Olsen.

Girl Scouts Enjoy DC Camp

Enjoying a four-day encampment at the Daly City Girl Scout Camp Mattrup last week were 40 intermediate scouts from San Bruno.

During their four days at the camp the girls, and six leaders, learned the rudiments of outdoor living and the rules of getting along with one another without the every day benefits of a modern civilization.

Mrs. H. B. Kleinin, San Bruno, was in charge of the camp, which is run to facilitate activities of members of the northern San Mateo County Council of Girl Scouts.

During the evening of August 18, 29 of the girls and five leaders spent a night at the camp. During the other three days the scouts stayed at the camp only during the day.

At the present time 10 of the girls who attended the Daly City encampment are helping to direct the San Bruno Park where 125 Brownies are camping each day. Two senior scouts are program aids.

The intermediate group is from 10 to 14 years, while the Brownies are from 7 to 10 years old.

CALIFORNIA VISITORS

Traffic entering California through state boarder quarantine stations during the month of July, included 123,025 out-of-state automobiles, reports the National Automobile Club. These automobiles brought 356,522 visitors to California.

Are you a keen judge of people?

Which are the largest P. G. and E. stockholders?

Here are a housewife, a president of a corporation, a clerk, a manufacturer, flagmaker, wrestler and a teacher. Each one owns stock in P. G. and E. Who owns the most?

How did *you* choose? Well, here are the facts: Housewives own the most. Teachers are next; then laborers, then manufacturers. And you probably didn't guess that the wrestler owns almost as much as the corporation president.

The figures are from a study of 4300 people who invested their savings in one particular P. G. and E. stock some years ago. They are typical and illustrative rather than actual. They show that in the final analysis—all are "Capitalists"!

No *one* individual owns as much as 1% of P. G. and E. stock. Actually, we're owned by the 154,300 stockholders who've invested their savings in our company.

These invested savings, plus sound management, have enabled P. G. and E. to provide gas and electricity at rates among the lowest in the nation.

FOR THE RECORD

P. G. and E. stock is among the most widely held in the U. S. This is an example of why "Big Business" is *everybody's* business—teamwork between the public, management and employees.

String Quartet Church Feature This Week End

Members of a Pasadena college string quartet will be honored guests at a banquet held by the Grace Church of the Nazarene Saturday.

The banquet will be held at 7 p.m. in the recreation hall of the church, 101 Vista Grande avenue. Guests will be four young men from the "Oeolians" quartet.

Those in the quartet include Don Crewdson, Kim Mouton, and the twins, Jack and Dick Scharn. The young men will remain in Daly City to attend the two services held on Sunday, August 28, at the Nazarene Church.

The public is invited to attend and hear the boys play. Services will begin at 11 a.m. and 7:45 p.m.

Legion Pot-Luck Dinner Saturday

An additional feature, in the form of a square dance, will be afforded those who attend the American Legion and Auxiliary Daly City unit pot-luck dinner Saturday.

The dinner will be held at 7 p.m. in Legion Hall, 474 San Diego. Following the meal, the square dance will be conducted in the hall.

Those interested in attending are asked to bring their favorite dish as a ticket of admission.

Further information may be obtained by calling Ruth Van Otten at JUniper 4-4143.

Happy Birthdays!

Although 13 is usually considered a number of ill fortune, there are 13 people in the Daly City-Colma area today who will soon celebrate birthdays. As Harry is not a superstitious baker, he believes the number means nothing but the best of luck for each of the 13.

To one and all, whether he or she carries a rabbit foot or not, Harry wishes the best and happiest of birthdays.

Strength in Faith

Great crises in the lives of men call for strength of mind and soul which no earthly power can give. When his own efforts and resources fail, man's help must come from God.

This troubled woman has learned the secret of faith and is putting her case in the hands of God. There she will find strength and comfort sufficient to her needs and will see clearly through the shadows that surround her.

Faith is a key that will unlock most of our human problems and resolve most of our difficulties—if we will only develop it. It is a light in human darkness, comfort in man's distress, strength in his weakness, and hope in his despair.

People should know more about the power of faith and the wonders it can work in human life. The story is written in the Bible, embodied in the teachings of the Church, and graved upon the hearts of believers.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Ordinance No. 296

ORDINANCE APPROVING THE ANNEXATION OF THE HEREINAFTER DESCRIBED TERRITORY DESIGNATED AS "PORTIONS OF BLOCKS 22 and 23 OF THE ABBEY HOMESTEAD ASSOCIATION" TO THE CITY OF DALY CITY

The Council of the City of Daly City does ordain as follows:

WHEREAS, under the provisions of that certain Act of the Legislature of the State of California, approved May 29, 1939 (Statutes of 1939, Chapter 297, page 1567) proceedings for the annexation to the City of Daly City of the territory hereinafter particularly described have been initiated by the STERLING BUILDING COMPANY, a limited partnership, and others, the owners of property in said territory proposed to be annexed; and

WHEREAS, said territory hereinafter described and proposed to be annexed to the City of Daly City is entirely uninhabited and is contiguous to the limits of the City of Daly City and is described as follows:

BEGINNING at a point on the present corporate limits line of the City of Daly City, said point lying at the intersection of the Easterly line of Hillside Boulevard (formerly San Bruno Avenue) with the Southerly line of Moltke Street, as shown upon "Map of the Lands of the Abbey Homestead Association" a copy of which is filed in the office of the Recorder of San Mateo County in Book 1 of Maps at page 14; thence from said point of beginning Easterly along the Southerly line of Moltke Street to its intersection with the Easterly line of Abbot Avenue (formerly Abbey Street); thence Northerly along the Easterly line of Abbot Avenue (formerly Abbey Street) to the Northerly line of Moltke Street; thence Easterly along the last mentioned line to its intersection with the common line between Lots 4 and 8, Block 22 of said Abbey Homestead Association; thence Northerly along the last mentioned line a distance of 90 feet; thence Easterly at right angles to the last mentioned line a distance of 100 feet to the Westerly line of Wyandotte Avenue (formerly Wyoming Street); thence Northerly along the last mentioned line to its intersection with the common line between Lots 5 and 6 of said Block 22 and the present corporate limits line of the City of Daly City; thence along the present corporate limits line Westerly to the Easterly line of Hillside Boulevard (formerly San Bruno Avenue) and Southerly along the Easterly line of Hillside Boulevard (formerly San Bruno Avenue) to the point of beginning.

WHEREAS, the Council of the City of Daly City did by Resolution No. 1112 give notice of such proposed annexation and did fix Monday, the 18th day of July, 1949, at the hour of 8:00 o'clock P.M. of said day, at the Council Chambers in the City Hall, Daly City, California, as the day, hour and place when and where any person owning real property within such territory so proposed to be annexed and having any objection to the proposed annexation could appear before the City Council and show cause why such territory should not be so annexed as proposed in and by said Resolution No. 1112; and

WHEREAS, upon the order and direction of the Council of the City of Daly City, the City Clerk of the City of Daly City did cause a copy of said resolution giving notice of such proposed annexation to be published at least once a week for two successive weeks prior to the day fixed for hearing in the Daly City Record, a newspaper of general circulation, published in the City of Daly City, the municipal corporation to which it is proposed to annex the hereinbefore described territory; and

WHEREAS, it appears from the affidavit of The Daly City Record that said notice was so published in said Daly City Record once a week for two successive weeks immediately prior to said hearing; and

WHEREAS, it appears that the date set for hearing was not less than fifteen nor more than forty days from the date of the passage of said resolution giving notice of the proposed annexation of the hereinbefore described territory to the City of Daly City; and

WHEREAS, at the time set for said hearing, to-wit: the 18th day of July, 1949, at the hour of 8:00 o'clock P.M., the owners of more than 50% of the area of the property within the territory proposed to be annexed, or the owners of the property representing 50% of the total assessed value of the property within said territory, did not make objection to said proposed annexation nor file written protests against said proposed annexation.

AND WHEREAS, said City Council has now acquired jurisdiction in said matter;

NOW, THEREFORE, the Council of the City of Daly City does ordain as follows:

SECTION 1. That the annexation of the territory hereinbefore described, which territory is contiguous to the limits of the City of Daly City, is hereby approved and said territory hereinbefore described is hereby annexed to and declared to be a part and portion of the City of Daly City, a municipal corporation situated in the County of San Mateo, State of California.

SECTION 2. This ordinance shall take effect and be in force from and after thirty (30) days after its passage and adoption.

SECTION 3. Immediately upon the within Ordinance becoming effective the Clerk of said City of Daly City shall make under the seal thereof, and transmit to the Secretary of State a certified copy of this ordinance giving the date of its passage, and shall file in the office of the Recorder of the County of San Mateo an affidavit stating that all requirements of the law pertaining to such proceedings have been complied with, and shall accompany said certificate with a certified copy of the boundary description of said annexed property as set forth in such proceedings, and also a map delineating such boundary, in accordance with Chapter 472 of the Statutes of California for 1939, at page 1818.

SECTION 4. This Ordinance shall be published once in the Daly City Record, a newspaper printed, published and circulated within the City of Daly City and shall take effect thirty (30) days after its passage and adoption.

INTRODUCED this 8 day of August, 1949.

Lorraine McKay Weds G. Norris Last Saturday

Honeymooning in Yellowstone park today are Mr. and Mrs. George Norris, married Saturday in San Bruno.

The Saturday wedding had particular significance to the former Miss Lorraine McKay as The Rev. Wallace Brookfield, who performed the ceremony at St. Thomas Lutheran Church, was a schoolmate of her brother. Rev. Brookfield lived a few doors from the McKays for many years before he entered the ministry.

The former Miss McKay is the daughter of Mr. and Mrs. Harold McKay, 520 Brunswick street, Daly City. She graduated from Balboa high school and is employed by the Pacific Telephone and Telegraph Co.

Norris is the son of Mr. and Mrs. Herbert Norris, 817 Grand avenue, South San Francisco. He is also a graduate of Balboa high school and is employed by the Western Electric Equipment Co.

Coming down the aisle Saturday, the bride was dressed in a white satin gown, with a fitted top, and a long train. She had a headpiece of Irish lace and stephanotis.

The bride wore a finger-tip veil and carried a beautiful bouquet of white orchids and white stephanotis.

Matron of honor, Margaret Duff, wore a rose taffeta dress and carried a bouquet of pink carnations.

The bride's mother was dressed in rose beige with a lace front. She wore a rose-colored hat with a beige veil and brown gloves.

Mrs. Norris wore a fuchsia dress with gray accessories. Both women had orchid corsages.

Harry Norris was the best man with Lewis Norris and Richard Risinger serving as ushers.

The bride was given away by her brother, Harold A. Norris Jr.

Following the wedding, a reception was held at the Alexander Hamilton Hotel in San Francisco. Some 120 guests attended the affair.

When the couple return they will make their home at 356 Winding way, San Francisco.

Doelger Issued $278,047 Permit

With hammers and saws going full speed, Henry Doelger last week took out building permits for 28 new houses at the Westlake project.

Total cost of the houses was estimated at $278,047. This was the largest single building permit issued last week by the Daly City department of public works.

Another permit for eight five-room houses in the Hillside Manor No. 2 was issued the Hillside Manor Co., 6798 Mission. Total cost of these houses comes to $56,000.

William and Rico Lagomarsino respectively also took out permits for new homes in the Vista Grande No. 1 tract. The permits were for two homes of $7,700 value each and issued to the Lagomarsino's at 7100 Mission.

The State Building Co., 6147 Mission, followed the trend by taking out a $7,500 permit for a house at 768 Bellevue.

Thomas Mitchell, 6286 Mission, and Betty Van Staveren, 6775 Mission, were issued permits to put up neon signs valued at $200 and $175 respectively.

Daly City Boy's Kidney Trouble Caused Death

A county coroner's report this week fixed the recent death of 9-year-old George Barted as resulting from a kidney ailment.

The son of Mr. and Mrs. Otto Barted, 81 Tallwood drive, died July 23 from what at first was believed ant poisoning. George was reported to have eaten some poisoned bread, put out by neighbors, just before he died.

"No poison food was found by the toxicologist," Coroner William Crosby reported after the autopsy.

Chief W. W. Sunderland said the report removed any possible blame from the Barted neighbors. Sunderland said no action had been, or would be taken against the people who allegedly put out the poisoned bread.

Community Chest "Oscars" Given

Red Feather "Oscars" will go this year to those communities and individuals who do the best work in raising funds for the San Mateo county community chest.

The chest drive gets underway October 1. As yet no quota has been set for Daly City. Mayor Paul Green is the drive chairman in this community.

A carved image, 6 inches high, the "Oscar" will be given to those chairmen and individual volunteer workers who first reach their quotas. This will be for the first period of the drive.

Additional "Oscars" will be given during the second period with the final tabulation of results achieved. These will be given on the basis of the best over all showing.

Hamsters, superior to guinea pigs in medical research, will be exhibited at the California State Fair, September 1 through 11.

Two Injured In Cycle Wreck

Suffering a fractured collar bone today is a San Francisco man involved in a motorcycle accident near Daly City Tuesday, police report.

The man is Gene Chambers, 25, 35 Cervantes boulevard, San Francisco, who with his companion, Kathlyn Bazille, 18, 2171 Union street, San Francisco, were thrown from Chamber's motorcycle. The accident occurred when the cycle hit some soft gravel on Lake Merced boulevard, a few feet north of Highway No. 1.

Losing control of his motorcycle, Chambers and the young lady were thrown onto the highway. A Daly City ambulance was called and the two were taken to Junipero Serra hospital.

Besides his fractured collar bone, Chambers also sustained a lacerated head, police said. Miss Bazille suffered minor ankle injuries.

D. C. Couple Sues S. F. Bus Company For $12,836

Damage suits totaling $12,836 were filed against the San Francisco Municipal Railway this week by Mr. and Mrs. Chester A. Jones, 458 Templeton avenue, Daly City.

The suits arose out of an accident July 11 at 5:30 p.m. when Mrs. Jones was alighting from a city bus at the intersection of Mission and Liebig streets.

Allegedly the back door closed on Mrs. Jones' foot, throwing her to the pavement. She claims she sustained abrasions of the right and left legs and a strained right hip.

Not only is Mrs. Jones asking $10,000 for damages, plus $168 for doctor bills, but her husband is asking an additional $2,500 plus $166. Mr. Jones asserts he is due this sum as compensation for his inconvenience while his wife was unable to perform her household duties.

The case is being handled for the Jones' by the Daly City law firm of Fahey, Bocci and Gallen, 3 Wellington avenue.

New Hobby Craft To Be Introduced To Residents Here

The latest thing in hobbies will be introduced to Daly City, Broadmoor and Colma residents this week.

The hobby is that of painting and dressing plaster figurines, and painting plaster bookends, placques and lamps. It's called American "Dresden."

The unpainted items can be bought at a nominal cost — but the finished product becomes a replica of the most expensive ceramics.

A demonstration in the craft will be given by Mrs. D. D. George of 804 87th street, Broadmoor Village. The demonstration will be held from 7:30 to 9 p.m. Friday at the Gerrans Paint and Appliance Store, 162 School street, and again Tuesday afternoon from 1:30 to 3 o'clock. Mrs. George plans to organize classes in the craft soon so that others can share her hobby.

Three waterfalls and as many streams of water will form the setting for the beautiful flower show during the California State Fair, September 1 through 11.

Broadmoor Post Sets New Date For Coaster Derby

Date of the Broadmoor Legion "Coaster Derby" was moved up today to Saturday, September 11.

The advanced date was set in order that all contestants will have ample time to complete their cars, an official said. Original date of the derby was August 28.

Open to all boys between 11 and 15 years of age, the derby will feature cars built by the young contestants.

Warm-up trial runs will begin at 9 a.m. and run through until 10 a.m. September 11. All entrants are requested to be at the 87th and White street runway by 9 a.m. to register and have their cars inspected.

A beautiful perpetual trophy will be awarded the first place winner. It will be kept in his possession until the 1950 Derby when it will again be offered to the victor.

Frank Lombardi of Daly City has donated the trophy.

Other awards will be given runners up in the contest, with a separate prize going to the "most attractive" coaster. The exact nature of the prizes will be announced at a later date.

Merchants who have contributed prizes include: Lombardi, Colma Dry Goods, Broadmoor Barber Shop and Anderson Appliances. Other merchants wishing to participate are asked to contact Ray Flannagan, committee chairman, at JUniper 5-3649.

To date four cars have been entered in the race. These include: Billy Brush, Daly City, sponsored by Lombardi; Richard Bond, Broadmoor, sponsored by Big Bear Lumber Co.; George Niblock, Broadmoor, sponsored by Silver Moon Cafe; Harris (no first name given) from Burlingame, self sponsored.

MONO FISHING

Fishing in general in all streams of Mono county is fair to good for the experienced angler, with some limits taken at various places with flies. Lake fishing is slow at Virginia Lakes except Trumbull Lake where it is fair. Twin Lakes at Bridgeport offer fair to good fishing in both lakes.

Fats, soaps, hides, paints, glue, drugs, fertilizer, gelatins, brushes and chemicals are produced from livestock as by-products.

Gamma, Molino Wed Sunday At OLPH Church

Wedding bells rang at Our Lady of Perpetual Help Church last Sunday for Joyce Rose Molino and Donald Francis Gamma.

The former Miss Molino is the daughter of Mr. and Mrs. Angelo Molino, 370 Willits street. The groom is the son of Mr. and Mrs. Oscar Gamma, 241 Whitney street, San Francisco.

Wearing the traditional ivory satin with a long train and French illusion veil the bride came down the aisle of the church. The church was decorated with white gladiolas and white stephanotis. The bride, in keeping with the decorations, carried a bouquet of white stephanotis.

Matron of honor was Joan Molino, who wore an aqua-colored brocade satin. She carried begonias shaded in salmon-colored ribbons.

Raymond Gamma was best man.

The bride's mother was dressed in a toast-colored dress, while the groom's mother wore a dress of slate blue. Both women had beautiful corsages.

Following the wedding a reception was held at Simpsons. Hundreds of guests wished the newly-married couple well with champagne and many other tasty types of drink and food.

The couple are now honeymooning at Carmel-by-the-Sea, and will make their home in San Francisco upon returning.

MOTORIST CLAIMS DIDN'T SEE ZONE, KNOCKS OVER SIGN

In hearty agreement that Daly City needs signals instead of middle of the street stop signs today is a San Francisco driver.

At 5:40 p.m. Sunday, William D. Ashton, 530 Steiner street, drove up to the intersection of San Jose avenue and Bepler street.

Not only, he claims, did he not see the pedestrian zone, but he also failed to see the sign. Not unusual, except that this driver hit the sign head on, knocking it over.

Ashton was cited for driving through a pedestrian zone. Police believe they have a "good case" against Ashton.

New Studebaker On Display At Sweeney & Sons

Studebaker, the car that set the postwar styling pace for the automobile industry, has done it again.

But see for yourself. The new model will be on display until 10 p.m. beginning Friday, August 26, in the window of W. J. Sweeney and Sons, 6806 Mission street.

A complete change in frontal appearance and fender treatment gives the 1950 models sleek, new lines which make them appear in motion even when they're standing still.

The car front embodies an airplane fuselage-type hood, flanked by air-foil front fenders and set off by a chrome "spinner." In addition to providing an ornamental touch, the "spinner" augments four frontal openings which direct air to the engine for maximum cooling.

The largest of these air passages consists of two oval-shaped honeycomb grille scoops located below the two smaller air channels which flank the "spinner."

In keeping with the new speed lines are the redesigned rear fenders, also air-foil type, and the large vertical tail lights which fit into the trailing edge of the fenders.

Engines in both the Champion and Commander have a new compression ration of 7 to 1, and for high altitudes a ration of 7.5 to 1 is available. Commander engine horsepower has been increased to 102 at 3,200 revolutions per minute while the Champion has been raised to 85 horsepower at 4,000 revolutions per minute.

Further details on the new Studebaker may be obtained by visiting W. J. Sweeney and Sons, 6806 Mission street, Daly City.

Vet Bond Issue On 1950 Ballot

A proposed $100,000,000 bond issue to finance state purchase of farms and homes for California veterans will appear on the general election ballot in November, 1950.

It will not be included in the measures scheduled for popular vote in the special election this year. The language of the bill, signed by Governor Earl Warren last month, specified the general election of 1950.

Marchbanks Park Scene Of Sunday Family Picnic

Finishing off the Daly City summer recreation program with a bang, a Family Fun Day Picnic will be held this Sunday at Marchbanks park.

Everyone in Daly City and vicinity is invited to come. Bring all the kids, friends and even the neighbor's dog. This is an opportunity for all to get together for what promises to be a red-letter day on the Daly City recreation calendar.

The day will get underway at 10 a.m. with the Colma Junior Boys Club taking on the Daly City Boys ball team. Another game will be played at noon, so even the late sleepers may enjoy a ball game. This will be between the Junipero Serra Merchants and the Colma Senior Boys Club.

Further information on these two games may be had by turning to the Sports page in the "Record."

During both the games, there will be recreation activities for the youngsters on the middle level of the park.

At 2:30 the picnic will be held. While everyone is asked to bring their own food, the vital things such as ice cream, pop, pop corn, and so on will be on sale at the field.

From 3 to 4:30 p.m. there will be folk dancing and square dancing for everyone. At this same time, those who would rather play baseball may take part in the father and son game.

Mother and daughters will also have an opportunity to compete as there will be a volleyball game for them between 3 and 4:30 p.m.

ACCIDENTS LEADING CAUSE OF LOST WORK TIME IN AMERICA

Are accidents now the leading cause of death in America?

In a sense, yes. Accidents take a greater toll of productive years than any one natural cause of death, according to a study of the American Medical Association.

More actual deaths still are caused by heart disease, cancer and cerebral hemorrhage. But the report points out that such deaths usually befall older persons after their working lifetimes are ended.

In the usual working age span of 20 to 65, accidents claimed 1,750,000 work years; heart disease, 1,680,000; pneumonia, 1,110,000, and cancer, 1,040,000.

City Demands Signals For School Zones

Still looking for the state's green light on new signals, the city tried today for at least temporary traffic controls at vital school zones.

With school but two weeks off there are no permanent signals at the intersections of Hillside and Mission and Mission and San Jose. These streets are used each day by hundreds of school children, and at the present time are potential killers if signals are not erected.

The state is now surveying the city's signal needs. However, it does not appear that any definite action will be taken until after school opens, Mayor Paul Green said.

"I want the state at least to put up temporary signals on those vital intersections, and I will do everything possible to see they are up before September 12," Mayor Green said.

Eventually it is hoped permanent three-way signals and other types will be installed at all important city intersections and side streets.

Angels, Lincoln Fight For Recreati'n Dept. Pennant

On the road toward the Daly City Recreation Department Junior Baseball pennant today are the Lincoln Playground nine and Holy Angels.

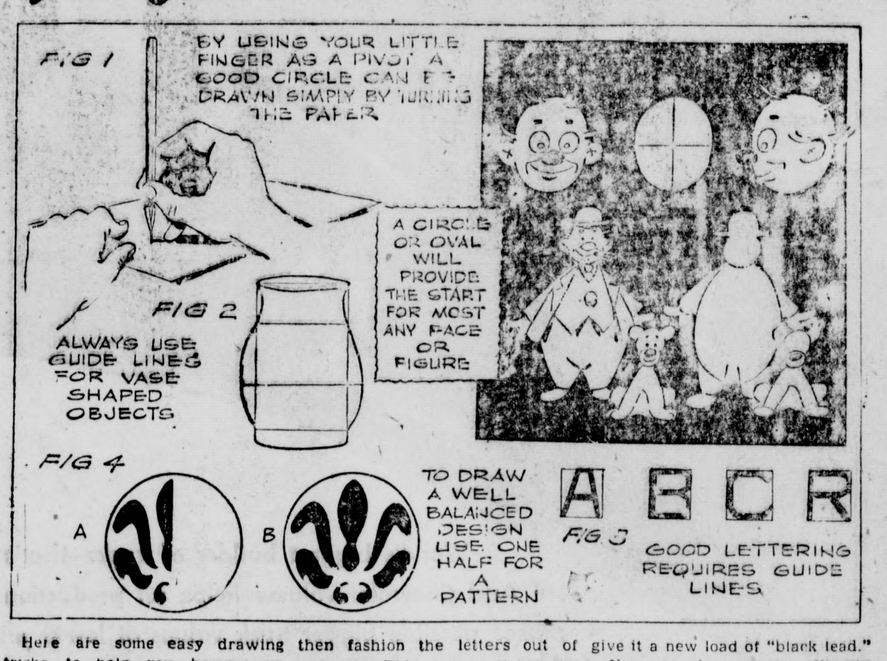

The Lincoln lads are now ahead of the Angels after defeating the latter team by a score of 14 to 4 in a hard-fought game Tuesday. Final two games of the three-game series will be played this afternoon, August 25.

While the Angels had their wings dampened by the Tuesday score they hope to stage a better showing today. One of the principal reasons for the lopsided score was due to six errors made by the Angels. Another factor is size. The Lincoln lads are from four to 12 inches taller and broader than their opponents.

Winning the right to play Lincoln, the Angels in an earlier game beat Crocker Playground by the score of 4 to 1. This was the end result of a pitching duel.

YOUNG FOLKS

You Can Be an Artist

Here are some easy drawing tricks to help you become an amateur artist.

If you wish to draw a good circle without the use of compasses, let the paper draw it for you. Simply place the knuckle of your little finger firmly on the center of the sheet of paper, hold the pencil so that it touches the paper at the required distance from your little finger (the pivot), hold the fingers of your right hand rigid and then, with your left hand, turn the paper around in a complete circle to get your circle.

It is too easy to believe until you try it. For tiny circles use the tip of your finger for a pivot (Fig. 1).

To draw a fancy-shaped object like a vase, always use guide lines. Draw a rectangle very faintly, and then shape your vase so that both sides are the same by watching where your curved lines cut the rectangle (Fig. 2).

• • •

LETTERING, too, will be easy if you first draw guide lines and then fashion the letters out of squares. This keeps them the same size and regular-looking (Fig 3).

Best trick of all is that which you use to make a fancy design or border.

Suppose you wish to make a circular design. Put your handy finger compasses to work and draw the circle on a piece of paper. (Trick 1.) Now draw a design in half the circle (A). Use a soft black lead pencil and outline the design heavily.

Now fold the paper along the center crease and draw the flat end of a ruler firmly over the back of the drawing several times. This will leave an impression of the design on the second half of your circle. Now go over the whole design so that it is of equal clearness.

If you wish to avoid having a crease down the center of your design, you can transfer the whole thing to a second sheet of paper by first tracing over the design to give it a new load of "black lead."

Now to draw faces. Simply make a circle or an ellipse—an egg-shaped figure—and draw a cross through the center as shown in the diagram. The horizontal line is the location of the eyes. From there on, you must practice.

Dissatisfied Patient

The new doctor called on 6-year-old Arthur and pushed the thermometer into the boy's mouth. Later when the doctor removed the thermometer, he was surprised to find Arthur glaring at him.

"Young man, what's the matter?" the doctor asked curiously.

"I'll tell you what's the matter," said Arthur, angrily. "Tony had a sore throat and you let him suck ice. Bill had a broken arm and you let him suck a lollipop. But you give me glass!"

New Games For Beach Play

BY I. R. HEGEL

THERE are those who like to snooze while they are getting a suntan. Others prefer to do something while they get their toasting. For the active, games can and do add to the fun of any outing. Try these the next time you visit a lake or seasnore with your crowd. Or play them in your backyard if you have a sandy spot.

• • •

In a Pig's Eye: Draw the outline of a huge pig on the sand, his head, body, curly tail and feet. Now, in turn, each player has a paper bag dropped over his head while he is whirled about three times, handed a stone and told to drop his stone where he thinks the pig's eye should be. Whoever comes nearest the right spot is the winner.

• • •

Gymnastic Class: One player takes the part of a physical instructor. The remaining players are the class. The instructor goes through gymnastic movements, speeding them up as much as he can while the rest of the class tries to follow as rapidly. If a player makes a mistake, he must drop out. The game continues until only one player remains.

• • •

Billy Goat: Draw a large circle on the sand and pose two players back to back. Both players must sit with their knees drawn up and their arms locked tightly around their knees. They must remain in this position as one tries to push the other out of the circle. The first one who is shoved over the line of the circle is the loser.

• • •

Pieces of Eight: All players close their eyes while the lead-player hides eight pebbles. Players uncover their eyes and each one is permitted three questions. Are the pieces of eight a foot away? The lead-player may only answer "yes" or "no." The first player finding the eight pebbles on his question-clues is the winner.

"BATTER UP" SUNDAY - - FOUR LOCAL TEAMS TO FIGHT FOR SUPREMACY

Three of the hottest, best ball games of the year are on the agenda for this Sunday.

One team, the Colma Boys Jr. Club will battle it out twice during the day with two separate clubs. In the morning, at 10 o'clock, Marchbanks Park, they will take on the aly City Boys A club. Then, four hours later, they will lock horns with the San Francisco Sarto team.

The game at Marchbanks will be played as part of the Daly City Recreation Department "Family Day." In a game played just two months ago, the Colma lads fought to a 6 to 6 tie with the Daly City team. On Sunday it will be settled once and for all which of these local ball clubs can claim to have the best talent.

Then, at 2 o'clock the Colma team will try for an unofficial championship when they take on the Sarto Club at Jefferson field. It was this same Sarto club that won the Class A American League pennant in the San Francisco Recreation Department league games.

Now holding the pennant for the Class B American League, the Colma team will attempt to better Sarto's record. This promises to be a spectacular game as both teams are not only backed by the same promoter, Joseph Sarto, but they are also evenly matched.

In still another game Sunday, the Colma Senior ball club will beat at the door of the Junipero Serra Merchants. Last year the Colma boys found the lock to that door and "robbed" the Merchants of any claim to fame. They hope to repeat the performance this year.

The aforesaid game also will be played at Marchbanks in connection with the "Family Day" celebration.

Going into the field or bench warming this Sunday for the Senior club will be: Donald Dondas, ss; James Silacci, 1b; James McNeill, p; Donald Woll, of; John Olcese, 3b; Albert Lagomarsino, 1b; Benny Parodi, c; Richard Morgan, of; Don Lunghi, of; Howard Heffron, of; Babe Ottonello, p; Tito Sarto, of; Lou Valetta, 2b; Michelettti, 2b.

The roster for the Colma Boys Jr. Club includes: Faustino Quitevis, p; Richard Vers, 1b; Harold Mossman, 3b; Leo Giannecchini, p; Alex Findlay, c; John Matzek, ss; Ted Welp, 2b; Henry Morgan, p; Bob Martinelli, of; David Belli, of; Vic Baher, c; Emile Giacchino, of; Vic Vacari, of.

Batting order for the Daly City Boys Club will be: Bob Stone, lf; Gerald Lorenzo, cf; Arthur Rud, 3b; John Spinetti, 2b; Alox Canapa, rf; George McLeod, 1b; Eddie Galinda, c; Jim Hatchel, p. Subs will include: Jack Sheehan, p; Charles Donnelly, p, and Pete Delfino, of.

Those boys on the Junipero Serra Merchants will be: Arata, cf; T. Bernallis, lf; G. Bernallis, ss; Sick, rf; Pezzola, 1b; Krohn, c; Dotoli, 2b; Valetta, 3b; Lucia, p. First names were not available.

MUSTANGS BEAT HAYWARD A. C. IN FIRST GAME

By Allen Pettigrew

The Hayward A.C. eleven are still wondering "what hoppened" today after the Daly City Mustangs trampled them in a game Sunday by a score of 18 to 0.

In their first game of the season, the Mustangs showed that on the offense and defense they have improved over last year. This is a team that may well be a real contester for the football championship.

In the first half of the action, thrill-packed game the Mustangs were held from scoring more from over-anxiety and offside penalties than anything else. Most of the action during the first half took place in the mid-field where both teams felt out their opponent's weak spot.

During half time, the Mustang coaches, Ferrando and Mert Dilly, pointed out to their players where the Hayward A.C. team had weak spots, and how to take advantage of same.

Apparently this was all the local team needed because when they went back onto the field they really started to roll. Under the sensational ball handling and signal calling of Duke Marlowe, the Mustangs started the wheels rolling.

With backfield standouts such as Plyer, Chambers, Rossi, Griffin, Dockery, Currier, Sperow, Tanona and Tudonl, Marlowe was able to call and direct his offense wherever he felt it would do the best.

The first touchdown was set-up by an interception of a Hayward pass made by Ernie Casteel, Mustang guard. Always on the alert, Casteel was responsible for two of the Mustang interceptions.

After the first interception Marlowe called upon hard-running fullback Chambers to start plunging into their line at their left guard spot. After three consecutive first downs the "Duke" then threw two passes to the left flat to weaken up the secondary.

Then on third and eight yards for first down or 14 yards for touchdown, Marlowe called for quick, shifty Joe Tudoni to run a hand off through their left guard spot. Running like Norm Standlee, Tudoni twisted and spun through a hole opened up by the aggressive Mustang line and went over their goal line standing up.

This made it six to nothing at the end of the third quarter. The Hayward team showed signs of weakening and after a few hard blocks and tackles their players showed signs of injuries.

Their line was weakened through the loss of three of their top linemen due to the bone-jarring blocks of linemen like Elio Abrambi, Chuck Adams, Frank Rivers, Dick Myers, John Coccellato, Jerry Listman, Lee Stevens, the Simmons brothers, Pat, Chuck and George, Casteel, Wyman, Rogers and Eurotas.

The beginning of the fourth quarter showed the Mustang backs working in complete unison. After working downfield from their own 20-yard line they found themselves on the Hayward A.C. eight yard line with two downs to go. Marlowe then came up with the "T" formation favorite play, the quarterback sneak, which payed off in pay dirt.

Through the alertness of the Mustang defensive men, speedy little Jim Sperow intercepted a Hayward pass and with beautiful downfield blocking ran the ball from the 50-yard stripe down to the Hayward seven-yard line.

The Mustang bench went wild. Then Tudoni, proving himself one of the game's standouts took the ball from Duke Marlowe on a handoff and went through the left side of the line standing up with his second touchdown for the new season, and third one for the Mustangs.

There won't be a game this Sunday. However, on the following Labor Day Monday, the Mustangs travel to west Oakland to face the powerful Saint Mary's A.C. The game will be played at McClymonds Field, in West Oakland.

BARBARA JENSEN SCORES HIGHEST IN AAU CONTEST

Colma's swimming ace, Barbara Jensen, has done it again.

In the San Antonio, Texas, National Women's AAU Swim Tournament, 20-year-old Barbara chalked up the highest individual score Sunday. By so doing she saved the face of the American team, which went down to defeat before the "human fish" of the Honolulu team.

San Francisco's Crystal Plunge Club finished third in the event with 28 points, as compared with the 48 points run up by the Hawaiian lads and lassies.

Of the 28 Crystal Club points, 13 were scored by Barbara. She came in first in the 220-yard and 110-yard backstroke races and took second place in the individual medley.

Earlier in the month, Miss Jensen accomplished almost the impossible by tallying 25 points plus in the Far Eastern AAU Swimming and Diving Championships in San Francisco.

MAYOR TO PRESENT TROPHY TO COLMA JR. BOYS TEAM

Mayor Paul Green will present the Colma Boys Junior Club with a winners' trophy Sunday at noon at the Marchbanks playground.

The trophy will be given the team for winning the Class B San Francisco Recreation Department American League pennant. This is the first time the team has taken the honor.

Individual trophies will also be given each of the players on the team.

A portion of Tehama, and all of Glenn county, were once a part of Colusa county.

DC Billiards Lose, Score Six In Ninth

Proving once again no game is over until the final ball is pitched, the Daly City Billiards Sunday staged a spectacular comeback to score six runs in the ninth inning.

But the six runs were of little use, as in the eight previous innings the Junipero Serra club had run up a winning score of 13 points.

Much of the credit for the comeback in the final few minutes of the Daly City Merchants' League game can go to the pitcher, Fred Lucia. Sure he had the game in the bag, Lucia became careless and allowed the Billiards team to score. Also there were three errors in the Serra fielding which helped the six men to cross home plate.

The Serra center fielder, Arata, did much to assure his team's score with six times at bat and four hits. The right fielder, Sick, did even better, managing to reach first base each of the six times he came up to bat.

Boyd Comes From Behind To Score Midget Race Win

By Tom Tromborg

While Marvin Burk sped to victory in the 25-lap main event at Bayshore Stadium last Friday, one Johnny Boyd in the Acme special gave the fans a thrill of a lifetime when he won the semi-main in one of the speedway's great comebacks.

Boyd had the second row on the inside at the start of the green flag, and within three laps the flying Acme special was in the lead and on its way to what seemed a sure victory. On the fourth lap the hands of fate cast their spell of ill fortune and Boyd's number 10 developed motor trouble.

Within seconds Boyd dropped from first to last and was apparently out of the race. Then, as fortune would have it, Boyd's car got the bugs out, and the Acme special started to roar as of old.

From this point, however, a chance to finish in the first five seemed rather remote and impossible, and many thought that Boyd would retire to the pits. However, the flame that lights up the heart of a racing man never dies and so Boyd started and finished what was to be his career's finest race, if not the finest of the season.

Boyd started to move up from the eighth lap on, passing car after car. Driving hard, furious and with all the mastery of the speedway that his courage and experience could muster, and into every turn went his complete heart and soul as he fought the ever-decreasing laps that spelled the race's end.

His car strained to the tremendous drive that he was giving it, as he hit the back stretch at a 70-mile-an-hour clip with his throttle wide open, only to meet the next turn which had to be made if his chance for a finish was to be possible.

His motor roared, his tires screeched, his body rang wet and cold, but slowly he narrowed the margin of cars between himself and first place.

Finally only Erni Miller stood between him and first place. The last four remaining laps it was wheel to wheel as the two of them battled it out for first place.

Into the last lap they came and Boyd, the man that wouldn't quit, won the season's thriller by a wheel.

Marvin Burk won the main when Johnny Smith, who was leading the event, had his car blow out on him in the 15th lap. Burk then took the lead and held it until the checkered flag.

Many Winners In DC Recreation Tournament Day

Showing what they could do in everything from basketball to checkers, boys and girls competed in the Daly City Recreation Tournament Day event last Friday.

Young men and women in two age groups competed in a variety of 15 different tournaments at Jefferson High school. The events included basketball, free throws, "21," table tennis paddle tennis, softball, football accuracy throwing, checkers, chess, dominoes, jacks, jump rope, O'leary and hopscotch.

In the boys A division the winners included Dave Caferatta, Owen Charles, DeWayne Soares, Ario Aregaria, Carl Gruenwald and John Robinson.

In the B division winners were John Helvrey, Roy Diamond, Albie Figone, Henry Oliver, Ben Peralta, Larry Kennedy and Danny Tomlinson.

Girl winners included Deanne Endress, Paulette Endress, Margo Gorospe, Sandra Gonzales, Arlene Callan, Cathy Rasmussen.

Colma Senior, Junior Clubs Score Two Wins

It's getting rather monotonous, but the Colma Senior and Junior Boys Club baseball teams came out on top again last Sunday.

Taking on the members of the Bagdad Bowl, the Senior club came up with a 5 to 2 win. Getting in practice for their game this Sunday with the Junipero Serra Merchants, the Seniors used four pitchers on the mound.

Babe Ottonello pitched the last few innings, and looked like he might be a real threat to the hopes of the Merchants Sunday.

The Junior club took on Lenny's team, and managed to score 15 times to the other club's 2 scoring runs. Once again the Juniors proved that they are real champions.

New Car Awarded Friday At Races

A big night for midget auto racing fans will be tomorrow, August 26, at San Francisco's Bayshore Stadium.

A new 1949 Ford automobile will be given away free to a lucky fan Friday as the final prize in a six-week-long series of "prize nights" staged by the Bay Cities Racing Association and the Bayshore stadium.

Co-feature with the Ford car will be another of the popular "destruction derbies" where at least six cars will attempt to put each other out of running condition.

And still more, a complete midget racing program, including a 25-lap main event.

Time trials start at 7 p.m., with first race run at 8:15 p.m.

Frankie Alberts, famous football quarterback, talked over the past and future plays of the '49ers at the regular Lions luncheon Wednesday.

From what Alberts told members, it seems to be a pretty safe bet that the '49ers will come up with a winning team this year. He explained that the recently-played game with Cleveland was the toughest of the year.

In the Cleveland game the '49ers tied, and they figure if they can do that well with that team they can whip most of the others.

Illustrating his talk with movies, Alberts pointed out what was considered some of the best and worst plays of last year's games. The film was run both forward and backward, so many of the Lions had an opportunity to see the whole '49er team running the wrong way.

Following the talk, the Lions collected $25 for the relief of persons trapped in Quito during the recent Ecuador earthquake.

The name of next week's speaker has not yet been announced.

Vets May Be Eligible For Calif. Veterans Home

Disabled San Mateo county veterans may be eligible for admission to the Veterans Home of California for hospital or domiciliary care.

However, even those eligible may have a long wait, Floyd D. Granger, veterans service officer, said. Granger asserted that while the Veterans Home is now expanding its capacity to take care of increased numbers of aged and disabled veterans, it still maintains a substantial waiting list.

Application forms and information about the home, located in Napa county, are available at the Veterans Service Office in the Redwood City courthouse.

In addition to the requirement that he must have been a bona fide resident of California for 10 years prior to date of application, a veteran must meet all the requirements for disability that would apply if he were seeking to enter a federal government institution of the same type.

At present the home has approximately 1,300 members. Construction recently completed or nearing completion includes a 200-bed convalescent barracks and a 100-bed addition to the hospital.

D. C. Delegates At Legion Meeting

Delegates John Derungs, Kim Halloran and Ralph Capps represented Daly City Post No. 410, American Legion at the recent Long Beach Convention.

The three delegates heard Governor Earl Warren address the legion, and gave their approval of many propositions.

Among the resolutions that were passed at the Legion 31st annual department convention were: endorsement of proposition No. 1, the $250,000,000 school bond issue; urging congress to admit the territories of Alaska and Hawaii to statehood for defensive purposes; proposals to add power to the U. N. and removel of the veto; opposing compulsory health insurance.

World War II veteran Louie Gough was unanimously elected state commander for 1949-50. Gough, a Pasadena man, is the first young veteran to be elected to this high office.

O. R. Owens Dies Suddenly Of Heart Attack

Funeral services will be held this Saturday at 10 a. m. for Orville R. Owens, 51, 674 San Diego, who died suddenly of a heart attack Wednesday morning.

Owens' son-in-law heard the dying man gasping for air as he lay in his bed at home. The relative called police who rushed Owens to Junipero Serra hospital. The Daly City baker was reported dead on arrivel.

A native of Indiana, Owens was a member of the Bakers Union Local 24. He is survived by his widow Mrs. Bessie Owens; his mother, Mrs. Ida Owens of Palms, California; and two daughters, Mrs. Dorothy Gentile and Mrs. Marjorie Werby.

Funeral services will be held at the W. C. Lasswell chapel. Final internment will follow the 10 o'clock serviecs at Cypress Lawn Cemetery.

Kitchens of the Days of '49 and the present era will be featured in the Centennial Cookery at the California State Fair, September 1 through 11.

"Back To School" For Vets Under State Program

Back to school days for Veterans means certain complications if they enter school under the G-I Bills of Rights or the California state educational program.

Those vets who are merely continuing their studies under the same auspices and at the same school as last year need have little concern with paper work.

Others, however, should ask themselves the following questions:

Is my eligibility established? A certificate of elegibility from the VA, in the case of the GI Bill, or the state department of veterans affairs, if state assistance is being used, is the first essential document.

Have I obtained my supplemental certificate of eligibility from the VA? This is necessary in the case of GI Bill students transferring to another school.

Have I completed my application for educational assistance and been interviewed by a state veterans educational representative? For students entering on the state aid program.

Have I received my authorization certificate? For state-aid students, to be turned in to the school authorities at registration time.

Have I notified the VA of my correct mailing address for this school year? To avoid delay in receiving subsistence checks.

In addition, veterans under the Federal program who have dependents will have to have evidence ready to submit at registration time, such as proof of marriage, proof of minor children or of dependency of parents.

All necessary forms, as well as trained counsel, are available to education-minded veterans at the VA office in the county courthouse, Redwood City.

Angilley Wins Three In Outboard Races

Whipping his outboard motor craft through the water at a terrific speed, Ward Angilley, 128 School street, crossed the finish line for a first prize Sunday in the Harbor Day Regatta.

Angilley took a first in the F Hydro event at Lake Merced, and a second and third place in two other races.

Alcoholic Home Opens Sept. 12

An experimental alcoholic clinic to handle 125 cases will begin operations September 12 near San Bruno.

This is the first clinic in San Mateo county, and some $50,000 has been set aside for the organization. Voluntary patients and those sent in by the courts will be handled at the clinic.

Treatment will follow approximately the same line as at the much discussed Santa Rosa prison farm in Alameda county.

San Francisco plans a larger scale program if the clinic shows promise of success. Patients will be examined by the psychiatrist and receive psychiatric and physical treatment.

You can't take it with you will apply in the gold panning contest at the California State Fair, September 1 through 11, for the winner may take the $500 prize but not the flakes of gold.

Bogus Bills Flood Bay Area

Take another look at that $20 or $10 bill. It may be bad.

This was the advise of the U.S. Treasury department today, after reports that bogus bills have recently been flooding the bay area.

Some of the methods of detecting a phoney $20 bill are: all notes to date bear serial numbers H95621075C. The number C-43 is in the lower right hand corner of the face of the note. All counterfeits of this issue are "Series of 1934-C," appearing on the face.

On the bogus $10 bills to date all bear the serial numbers E56527991A with "F-28 in the lower right hand corner of the note's face.

Those who receive a bogus bill should contact Daly City police immediately. But do not return the counterfeit bill to the passer.

California's 1948 petroleum production had an estimated value of $792,521,000.

Proposed County Road Projects

Acquisition of rights of way for the Bayshore freeway is but one of several highway projects for San Mateo county proposed this week.

The recommendations were presented to the state highway commission by Dr. E. J. Leach of Salinas, chairman of the California state chamber of commerce central coast highway committee.

Other projects include: construction of the freeway and grade separations south of Peninsular avenue at San Mateo, acquiring of right of ways south of Frenchman's creek on the coast highway and construction of that sector and improvements of El Camino Real at several points.

These projects were among 250 suggested by the state chamber.

California was admitted to the Union with 27 counties.

Grade Teachers Assigned For School Year

Assignments to grades and teaching positions were completed this week for the Jefferson elementary school district.

James Snell, school superintendent, said teachers and their assignments for the coming year include:

At Woodrow Wilson primary, 43 Miriam street, Mrs. Ethel Hahn is the principal and also teaches the third grade. Other third grade teachers include Mrs. Aileen Haslett, Mrs. Ruth Rogers and Mrs. Marjorie Ross, who also handles the fourth grade, as do Mrs. Louise Bostwick and Mrs. Eleanor Zenovich.

Mrs. Virginia Bolstad teaches the second grade as do Miss Elizabeth Kennedy, Mrs. Jane Watson, and Miss Jeanette Young. Mrs. Jane Boyd will teach transitional kindergarten and first grade, while Mrs. Edna Daly and Miss Mae Varni will teach the first grade. Mrs. Norma Eddy teaches kindergarten.

In the General Pershing school, 631 Hanover street, Miss Winifred McGrath is principal and fifth and sixth grade teacher. Mrs. Dora Barker, second grade; Mrs. Margaret Clarke, fourth; Miss Henrietta Engel, kindergarten; Mrs. Edith Krummes, first; Miss Joan Lee, second, third; Mrs. Dorothy Lickly, fifth; Mrs. Thelma Rule, transitional kindergarten, and first; Mrs. Nellie Taillefer, third.

At Thornton school, 1st avenue and Castle streets, are the following teachers: Mrs. Hazel Colwell, principal, 1 and 2; Mrs. Anderson, 4; Miss Hester Blaylock, 2 and 3; Mrs. Carol Rupert, 5 and 6.

In the Woodrow Wilson at Crocker school, 649 Bellevue avenue, are Miss Aileen Suber, principal and 8; Jack Fischer, 7 and 8; Mrs. Helen Muller, 6; Mrs. Helen Schober, 5.

Crocker school, 649 Bellevue avenue, has Miss Marjorie Tobias, principal and 8; Mrs. Margaret Anderson, 7; Miss Grace Kearney, 5; Mrs. Louise Plumb, 8; Glen Smith, 7, and William Tergis, 6.

At Jefferson school, 14 Alemany boulevard, are Miss Marie Traynor, principal and 8; Miss Barbara Bayne, 2; Miss Gladys Campana, 4 and 5; Miss Lorraine Day, 2 and 3; Mrs. Evelyn Hosmer, 1; Mrs. Ardis Hyde, transitional kindergarten, 1; Erle Johnson, 7; Mrs. Otha Kinsey, 6; Mrs. Alma Ledwith, 2; Mrs. Elizabeth Mertens, kindergarten; Don Pagani, 7 and 8.

In the Jefferson Annex are Miss Genevieve Gannon, 4, and Mrs. Hortense Sundman, 3.

Other teachers who will be available for specialized work or administrative jobs include Miss Alfea Bell, speech correction; R. L. Crane Jr., manual arts and crafts; Hugh Falconer, general supervisor; Miss June Gross, school nurse; Mrs. Pauline Kagan, arts supervisor; Miss Fern Kline, traveling teacher; Paul MacDonald, traveling teacher; Mrs. Ruth Mayo, homemaking; Mrs. Muriel Vint, music supervisor.

TIRE BLOWOUTS

Hot weather and fast driving increase the danger of tire blowouts, warns the California State Automobile Association.

NSLI Refund Forms Ready August 29

Don't purchase application forms for National Service Life Insurance refunds. These forms are free.

This was the advice given veterans today, following reports that parties were selling the forms to uninformed ex-GIs. These same forms, now being sold, may be had for the asking after August 29 at any U.S. post office.

The refund slips may be obtained at the Daly City post office on or after August 29.

It is estimated that over 150,000 veterans in the San Francisco area will benefit from the refund. The application form contains instructions that are easily understood by applicants and is in the form of a reply post card.

When completed the card is mailable by placing a one-cent stamp in the upper right hand corner.

While the supply will be made available for individuals at all stations, it is suggested that veteran organizations and similar groups secure a supply for thei rdistribution from the Daly City office.

CENTENNIAL SONGSTRESS—Golden-voiced Florence Quartararo, star of the Metropolitan Opera Company, is making her second trip from New York to California in six weeks to participate in the Centennial celebrations of her native state. She will sing in the Monterey Centennial pageant, August 29 through September 5—not once but all eight nights of the pageant's run.

BLOOD GIVEN BY THREE DC PEOPLE

There are three more pints of blood in the San Mateo county blood bank today thanks to donations by Daly City residents.

Giving a pint of the precious life giving fluid for the first time was Roy Carlson, 934 Brunswick, Daly City.

Second donations were made by B. J. Durett, no address given, and E. E. Whitman, 111 Woodrow, Daly City.

Sea breezes help maintain summer temperatures in San Francisco at an average of 58 degrees.

New Studebaker Can Be Seen at Wm. J. Sweeney & Sons

New power, speed and sleekness are expressed in the advanced design of Studebaker's 1950 passenger car models. Embodying a complete change in frontal appearance and fender treatment, these cars designed by Raymond Loewy Associates appear to be in motion even when they are standing still. Shown here is the 1950 Studebaker Commander convertible.

The first European capital to be liberated from Axis domination was Rome, which the United States Fifth Army entered June 5, 1944.

All prunes are plums, but not all plums are prunes; prunes are a special variety of plums that can be dried without fermenting.

"Seeing the Elephant" was the first play presented in San Francisco's early-day Dramatic Museum.

'Blood and Thunder' Favorite Books For Local Readers

Buckets of blood, slinking crooks and dapper detectives seemed to have replaced the conventional romance as the favorite ingredient of fiction.

This was the conclusion today of Daly City Librarian Mrs. Marcie Trier as she looked back on one year of local readers' habits.

"While women still prefer romances, the universal western and mystery are still the most popular type of novels," Mrs. Trier noted.

Men prefer non-fiction' such as books dealing with mechanics, gardening and the ways of business. However, when they do settle down to some light reading they inevitably pick up a war story or historical novel.

Psychologists might be able to explain this predilection for violence as a natural result of a turbulent, unsettled age. Mrs. Trier's only explanation is simply "they seem to enjoy reading, and, after all, that's all that matters."

And there are a relatively large number of people in this community who do appreciate books. During the last fiscal year 2,108 persons held library cards. Estimated population of Daly City is 13,599.

During the year the 7,946 books in the library went the rounds 35,000 times. Of course not every book was checked out, but the latter figure represents the number of volumes taken home for from one- to two-week periods.

Young folks also enjoy the juvenile section of the library which contains 2,329 volumes. This part of the building is the original wood structure that was the complete library after its erection in 1920.

The present building was constructed in 1938. Anyone interested in seeing the present structure from the inside may do so between 1 p.m. and 9 p.m. during the week.

In order to check out a book, a person must be a resident of Daly City, and have a card signed by another resident.

CALIFORNIA CORNUCOPIA

Lovely Joan Harlow, with the great seal of the State of California in the background, calls attention to the agricultural treasures of California which have produced more millions than the Mother Lode. The whole array of the State's crisp vegetables, luscious fruits and rainbow blooms will be shown in profusion at the California State Fair in Sacramento from September 1 through September 11.

MONO COUNTY DEER

Deer appear plentiful from Conway Summit north to the Nevada state line on the west side of Highway 395 in Mono county, where deer season opens September 16, according to the National Automobile Club. Both large and small bucks have been noted recently with deer ranging high and low, as feed appears plentiful. East of the highway, feed conditions are better than last year and hunting should be improved, especially in the Mt. Jackson, East Walker and Masonic areas.

In general, conditions look favorable for deer hunting in northern Mono county, and bucks are liable to be found in any location due to ample feed and water.

ACCIDENTS INCREASING

Traffic fatalities and injuries on California highways are again rising. For the first six months of 1949 the California Highway Patrol reports an increase of 489 in the number of injuries, with 17 more fatalities over the first half of last year. "Take It Easy" in your driving, urges the California State Automobile Association. Help prevent traffic accidents by driving at safe speed at all times.

Pedestrian Traffic Deaths Down In '48

Fewer pedestrians walked themselves to death during 1948 than the year before.

There were 9,850 pedestrian traffic deaths last year. This was six per cent below the 1947 total of 10,450.

Last year was the first since motor vehicle deaths have been tabulated by type of accidents that pedestrian deaths were fewer than deaths from two-vehicle collisions.

FRESNO FISHING

Upper Bear Creek, northeastern Fresno county, has been producing limits of small trout. Golden trout of fingerling size are not uncommon. Dinkey lakes are producing fair fishing and Coyote lake is declared good. Some nice limits have been taken from Ershim Lake last week.

STOP AND RELAX

On long driving trips, stop and relax occasionally, advises the California State Automobile Association, but always stop well off the travelled roadway. Relaxation from the strain of driving reduces fatigue, the cause of many serious accidents.

THE 1950 STUDEBAKER IS HERE

IT'S STYLED AHEAD FOR YEARS TO COME
SEE IT AUGUST 26

WILLIAM J. SWEENEY & SONS
Studebaker Sales & Service
6806 MISSION STREET JUniper 7-7711

The "next look" lines of the 1950 Studebaker passenger cars are readily discernible in this four-door Champion sedan. In addition to the advanced styling by Raymond Loewy Associates, there is new riding comfort resulting from Studebaker's self-stabilizing coil spring front suspension. Luxurious interiors and maximum passenger space characterize all Studebaker models.

Army Enlistments Open For Youth

It's a new army today, with an enlisted man able to choose his service.

Enlistees may now enter the armored cavalry, the field artillery, the corps of engineers, the coast artillery and the infantry, the army recruiting service announced today.

Men must be between the ages of 17 and 34 years for enlistments in the regular US Army. Opening of these forces for direct assignment to men without prior military service follows the line already established by the peacetime regular army.

Young men who are interested in investigating these selective army openings may obtain further information by calling at the recruiting office, courthouse, Redwood City.

CLEAR LAKE'S SUBMARINE FOREST

Clear Lake, located in the central Oregon Cascade Mountains between U.S. Highway 20 and 28, is reported by the National Automobile Club to be an unusual scenic attraction.

Here tourists can look down through crystal-like waters to see giant trees standing straight and tall. This submarine forest was created over a thousand years ago when a lava flow dammed up a branch of the McKenzie River in a forested canyon, causing the ice-cold waters to back up, drown the trees, and then preserve them through the centuries.

Chrysanthemums and rare orchids will predominate in the beautiful Flower Show to be held during the California State Fair, September 1 through 11.

No Unemployment Check For Drunk

Don't get drunk on the job, get fired and then think state unemployment insurance is available.

According to a new ruling of the California Unemployment Insurance Appeal Board, workers who report on the job in a drunken condition can be disqualified for unemployment insurance.

The rulling was explained as just, as a drunken employe "constitutes misconduct connected with the claimant's work within the meaning of the act."

However, after a five-week period of disqualification the claimant may again draw his maximum benefits, the board said.

Recipes famous when great-grandma was a girl will be prepared in a kitchen of today during the Centennial Cookery at the California State Fair, September 1 through 11.

NAVY ELECTRONICS PROGRAM NOW OPEN TO YOUNG RECRUITS

A limited number of applicants for enlistment in the regular navy are being selected for the electronics field procurement program.

Applicants qualified for this program will be enlisted in the rating of electronics field seamen recruit.

Applicants enlisted in the program will be assured prior to enlistment of being sent to a technical electronics school upon completion of recruit training.

Full information on the program may be obtained by phoning or visiting the nearest navy recruiting station. There is such a station in the county courthouse, Redwood City.

BUTANO WOODS MAY BE SAVED

Almost certain to be saved from the woodman's axe today is a portion of San Mateo county's famed Butano forest.

The state park commission this week accepted a mandate of the legislature for the purchase of part of the virgin redwood trees. The commission has ordered an appraisal of the value of the Mount Madonna park in Santa Clara county. This has been offered by supervisors in lieu of matching funds.

The commission previously set aside $600,000 of a $3,000,000 park and beach appropriation for the Butano purchase.

Hence a valuation of $350,000 already fixed on San Mateo's memorial park will be added to value of Mount Madonna park, thus possibly freeing the entire $600,000 for the purchase of a portion of Butano forest.

But the $600,000 is only half enough to purchase 2,240 acres of the Butano woods. Owners of the forest, the Pacific Lumber Co., want $1,200,000 for the 2,240 acres.

Economics and efficiency in marketing effected by cooperative associations have benefitted consumers through improved quality of products and some reductions in marketing costs.

Apple Week Big Success

Despite several mixups, the Gravenstien Apple Week which concluded last Friday was hailed a success today.

Approximately 70,000 boxes of the apples were sold in the Bay area during the 10 days of the campaign to cut down the surplus.

The drive was called when apple growers were faced with huge financial losses due to a large surplus crop.

Several times confusion reigned when anxious buyers were unable to get the apples as they were not being shipped into the Bay area. Farmers complained freight rates were too high. However, this difficulty was ironed out enabling the drive to be completed successfully.

ALASKA HIGHWAY RESTRICTS

Automobiles in poor condition and older models, such as those constructed prior to 1940, will, according to the National Automobile Club, only be admitted to the Canadian approach to the Alaska Highway upon cash deposit or guarantee bond to insure export of the car. This has become necessary in view of the abandonment of ancient automobiles along the Alaska Highway and to safeguard the public.

AUTOMOTIVE PRODUCTION

United States factories produced a total of 2,994,284 motor vehicles during the first six months of 1949, reports the National Automobile Club. This figure represents a twenty per cent increase over that for the first six months of 1948 and has been surpassed only by similar periods in 1929 and 1941.

Of the 2,994,284 units, produced, 2,377,945 were passenger cars, 613,008 were motor trucks, and 3,331 were motor coaches.

San Francisco To Celebrate "Gold Rush Day," Sept. 10

San Francisco's "Gold Rush Salute," part of the centennial celebration, will be presented in that city September 10.

The Gold Rush committee announced the admission-free show will be held at the Portsmouth Plaza on the mammoth open air stage which fronts the replicas of the old Mexican Customs House.

A program of professional acts will be interspersed with dramatization of many pioneer day episodes, including Sam Brannan's electrifying announcement of "Gold, gold, gold on the American River," in 1849.

Frank Fay, Mission-born son of San Francisco and famed comedian, will emcee the two-hour show. Dorothy Kirsten, singing star of screen and opera, will top the program with her rendition of the song "San Francisco."

If Birds Quit Laying

Although a positive diagnosis of Newcastle disease can be made only by laboratory tests, there is plenty of reason to suspect this malady if egg production in a flock dips sharply—nearly to zero. A veterinary bulletin points out that a drastic drop in egg production, whether due to Newcastle disease or some other type of trouble, should be a warning for poultrymen to get a prompt diagnosis and start corrective measures at once. If the trouble is actually Newcastle disease, respiratory and nervous symptoms usually will be evident.

Potato Goes to Britain

Regarding the introduction of the potato into Great Britain, the two legends more generally believed are those surrounding Raleigh and Drake. According to the first: Solanum tuberosum, the common potato of our fields and gardens, was first introduced by Sir Walter Raleigh who brought the roots from Quito and caused them to be planted in his own garden at Youghal, Ireland.

Breakable Target

A paper target with a printed bull's-eye is the best known rifle target, but most people like to see something happen when they hit a target—have it move or break. Breakable targets can be readily made by sawing a piece of 2" x 2" lumber into 2-inch lengths.

Cut Flowers

After cutting fresh flowers from the garden, place in water almost to the blossoms. Insert scissors under water and cut off a small portion of the stem. Keep stems under water until flowers become turgid and stand up well for artistic arranging.

Family Council

One way of attaining a more succesful home life is by the provision of a family council. Let all members of the household join in this council and meet once a week to discuss common problems. This will give anyone with a grievance an opportunity to bring it before the group.

TOO MANY MILES

Too many miles per day on your vacation trip means too much speed, and too much risk to yourself and other users of the highway. Hold your speed down, urges the California State Automobile Association. You'll enjoy your vacation trip more, and you'll come home refreshed and relaxed.

IN DOUBT — DON'T

Be extra careful in attempting to pass other cars at night, because it's extremely difficult to judge distance and the speed of approaching cars during hours of darkness, the California State Automobile Association points out. If in doubt, don't turn out; stay in your own lane until you are perfectly sure it's safe to pass.

Coffee, Haitian Mainstay

Since the founding of the Haitian republic 145 years ago, coffee has been the mainstay of its economy. In recent years such products as sugar, sisal and bananas have been developed largely by foreign capital and under foreign control, but the great crop upon which more than any other, Haiti's many peasants depend for the little money they must have for their purchased necessities is coffee.

Coronary Thrombosis

Deadliest disease in the United States is heart disease, and the most frequently fatal of all heart ailments is that known as coronary thrombosis. Statisticians expect afflictions of the coronary arteries to kill one man in 30 and one woman in 90 above 40 years old this year.

Now 1,750,000 State Veterans

Veterans need not feel alone in California. Latest figures show there are 1,750,000 ex-GIs in this state.

An additional 500,000 veterans came into California over the past few months, the department of veterans affairs noted. By the VA's own estimate the sunny state accounts for 90.9 per cent of the veterans in District 12 (California, Nevada, Arizona and Hawaii).

Of the aforesaid vets, 1,350,000 are World War II men. The department's previous estimate on vets of World War I and other wars remains at 400,000 on the basis that mortality and immigration cancel each other out for this group.

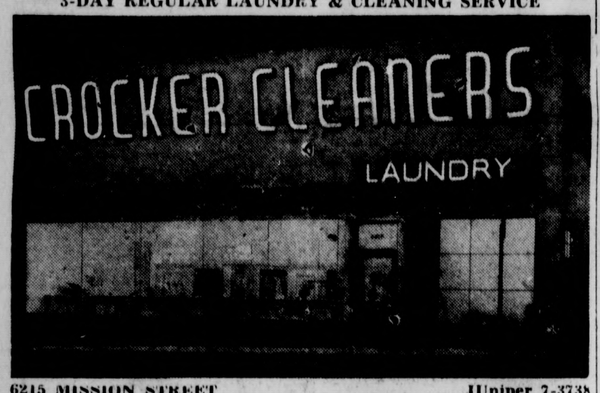

YOU DON'T NEED A SPEEDBOAT—All that's necessary for the newest thing in water sport is this self-propelled aquaplane. The tiny, motor-driven craft is capable of speeds up to 30 m.p.h. Martha Mitchell is the speedster.
